# Breathe Easy!

EcoGecko Air Revitalizers

Clean, green products that respect our earth while cleaning homes and offices

## Air Revitalizers

# Little Squirt

**EcoGecko - H2O**

**AIR REVITALIZER**

Aroma oils remove odors and enhance your mood  
Water removes dust and contaminants from the air  
Revitalizer returns fresh and fragrant air back into the room

The shimmering, blue LED light and whirlpool of water create a tranquil environment. Add a few drops of aroma oil to the water, and Little Squirt works as an air freshener.

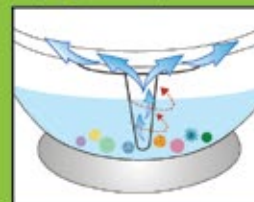

- Makes homes and work environments fresh
- Revitalizes approximately 300 square feet
- Easy-to-clean, safe and reliable
- Ideal for air-conditioned and heated environments
- Power: Computer USB or standard outlet using AC adapter (included)
- Low energy consumption – Just use tap water – Low cost to operate
- Aroma oil included
- Diameter: 4.25 inches, Height: 5 inches
- Limited 1-year warranty

### How it works!

Green technology, aroma oil, tap water, and low energy revitalize the air

Suctions air through  
aroma oil & water

Rotation mixes air & water  
Dust, pollen & contaminants  
stay in water

Fresh air is released back  
into the room

# AIR REVITALIZER Aroma Oils

**EcoGecko H2O Products – Make Cents**  
**Enhance and Relax your mind, body and senses**

Aromatherapy uses plant materials, known as essential or aroma oils, and other aromatic compounds for the purpose of altering a person's mind, mood, cognitive function or health.

Our wide assortment of oils provide aromatherapy and economic benefits when used with EcoGecko Air Revitalizers.

- Air Revitalizers freshen the air and release scents
- Oils provide customer benefits and provide businesses an ongoing revenue stream

	<b>Eucalyptus</b> Eucalyptus soothes colds, helps clear airways and boosts concentration.		<b>Cinnamon</b> Cinnamon soothes, reinvigorates, stimulates and is cleansing.
	<b>Lavender</b> Lavender relieves stress and calms the mind.		<b>Oasis</b> Oasis transports you to the islands with Coconut and Pina Colada scents.
	<b>Lemon</b> Lemon enhances the ability to concentrate. Uplifting to the body and mind.		<b>Sandalwood</b> Sandalwood oil's soothing property promotes restful sleep and eases an anxious mind.
	<b>Green Tea</b> Green Tea oil is clean, light and refreshing.		<b>Clary Sage</b> Clary Sage is calming, seductive and soothing.
	<b>Orange Peel</b> Orange peel promotes positive thinking and optimism.		<b>Rose</b> Rose oil inspires emotional calm and stability without sedative effects.
	<b>Tea Tree</b> Tea Tree oil is relaxing, soothing, and invigorating.		<b>Odor Neutralizer</b> Odor Neutralizer's clean, fresh scent eliminates household odors and microorganism growth.

# Stingray

UV SANITIZING UPHOLSTERY/MATTRESS VACUUM

***Start enjoying a clean, healthy, and comfortable home today!***

***Works on stuffed animals, too!***

Uses a three-stage proprietary process: 1. 2500-RPM, agitating motor vibrates to loosen small and micro particles from upholstery, or mattress bed lining & bedding, and brings them to the surface. 2. Ultraviolet light kills microorganisms, dust mites, bacteria, and allergens. 3. A powerful vacuum suctions away mites, bugs, and harmful allergens.

- Color: Yellow
- 300 Watt Power
- Enlarged Ultraviolet (UV) Light
- Exterminate dust mites, germs, bacteria, and allergens without chemicals
- Powerful vacuum removes mites, bugs, and harmful allergens from your upholstery and bedding
- 3 reusable micro filters trap particles for safe disposal - filter is easily cleaned with water

## 3-STAGE PROPRIETARY PROCESS

EcoGecko provides a bed cleaner that delivers a clean and comfortable home.

Vibrating pad loosens particles

UV light kills bugs and bacteria

Roller brush & powerful vacuum remove debris

# NEWT

## Amphibious Wireless Speaker

NEWT is a go-anywhere speaker that plays music wirelessly with Bluetooth® enabled devices. At work or at play, indoors or outdoors, wet or dry, Newt delivers great sound.

The NEWT Amphibious, Wireless Speaker is designed for use in the water and complies with the IPX7 international waterproofing standard.

- Worldwide patented product
- Open-air transmission range of up to 10 meters
- Multicolor LED illuminations for mood lighting
- Compatible with all devices enabled with A2DP Stereo Bluetooth®
- Play time of up to 8 hours per charge
- Built-in, Lithium rechargeable battery
- DC port for charging
- Diameter: 5.5" Length: 4.25"

"NEWT can go anywhere - to work, school, home and even in the shower!"

- IPX7**  
Waterproof Rating
- 10m**  
Long Range Transmission
- BASS**  
Amazing Sound Effect
- Li-ion**  
High Capacity Li-ion Battery
- Patented Structure**

### How it works!

Patented mechanics ensure cabinet balance, so it never rolls over

The original floating ring design prevents the speaker from sinking

LED illuminations create mood lighting

Hanger hook and desktop stand provide location versatility

The Bolan Ultra Sleek 6600mAh Portable External Battery/Charger fits most digital devices. It effectively helps to solve low-power problems for your iPhone®, iPad®, Samsung® devices, tablets and other digital devices while on-the-go. It also has a built in LED flashlight.

Available in 3 Colors

Charges and Powers up to two devices

**Model #83266**

**Unilution Inc.**

1345 Union Hill Industrial Ct., Suite A  
Alpharetta, GA 30004  
Phone: (678) 339-0010  
Email: sales@unilution.com

Multifunction and ergonomically designed, this high-performance, Grade-A cell ensures long life. Solid, PC alloy construction. Its smart power lock secures power when not in use. Its two USB ports allows you to charge two devices at one time. It is a must have when traveling.

- Capacity: 6600mAh
- Built-in, lithium rechargeable battery
- 4 LED lights indicate available power
- Life cycle: more than 500 charges
- Input: 5V/1A, micro USB port
- Output: 5V1A, 5V/2A USB port
- Charging time: about 10 hours by computer USB port
- Protection: overvoltage, overcurrent, short circuit

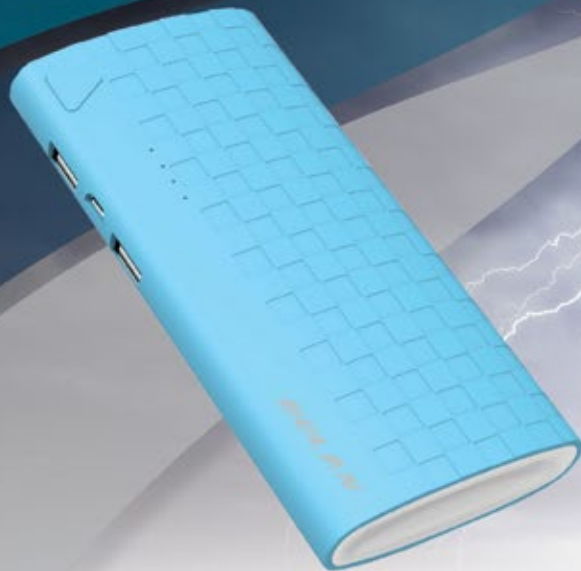

## How it works!

Simply connect with a USB cable to charge your digital devices.
