CHARACTERISTICS

- This 5-layer non-stick coating with stone effect is made using GMO-free, plant glycerine, creating a natural non-stick layer
- Non-stick coating reinforced with mineral particles for perfect resistance to scratching, stains, and wear
- The aluminium used to create the body of this pan is a special green alloy with a high level of recycled aluminium
- Ergonomic handles with an elegant wood-effect and completely dishwasher safe
- Perfect on all heat sources, with excellent performance on induction tops, thanks to its stainless-steel disc
- The packaging on this range is made in recycled paper that is also 100% recyclable
- All TVS non-stick coatings are free from nickel, heavy metals, and PFOA
- 5-year guarantee
