

- FreshMill stores fresh culinary herbs directly in your freezer for months!
- The built-in grater minces the frozen herbs on demand - while cooking or directly onto your plate.
- Eliminates wastage due to faded leaves & spoilage, while preserving fresh flavour for months
- Dishwasher safe
- Winner of multiple awards, including two gold medals at the international Lepine contest
- Individually packaged, available in 3 colours each with herb identifying storage labels

- #FMH077 - Yellow
- #FMH084 - Light Green
- #FMH091 - Dark Green

- FreshMill Cheez quickly and easily grates even soft-cheeses like Goat, Feta, Roquefort and Mozzarella
- The single stainless steel blade, smoothly and uniformly grates cheeses directly on to your pasta, salads or soups.
- Two specially designed forms are also included to prepare even soft cheeses for grating
- After use, simply close and store in the fridge.
- Dishwasher safe. # FMCZ053 - Green

- With a few turns the stylish dispenser splays butter, cream cheese, or pâté into a beautiful star bouquet.
- Place with appetizers for a unique and elegant presentation
- Hygienic - use individual stars without contaminating the remaining mixture.
- After use, simply close and store in the refrigerator to protect from odors.
- Dishwasher safe. #FMGT176 - Black
