2017 PRODUCT CATALOG

We believe that taking small steps every day to live a healthier life can have a big impact, and that the best path to wellness is eating whole, natural foods. At Dash, we create products that make it easier for you to prepare and eat real food at home so that you can feel your best.

In the store, in your kitchen, and online – Dash gives you the tools and the support to make delicious healthy meals. That's what living **unprocessed** is all about.

WE THINK PROCESSED FOOD IS SCARY

At Dash we love good food. Our products make it easier to eat healthy at home. We're always coming up with new ideas to help make wellness achievable because when you eat good, you feel good.

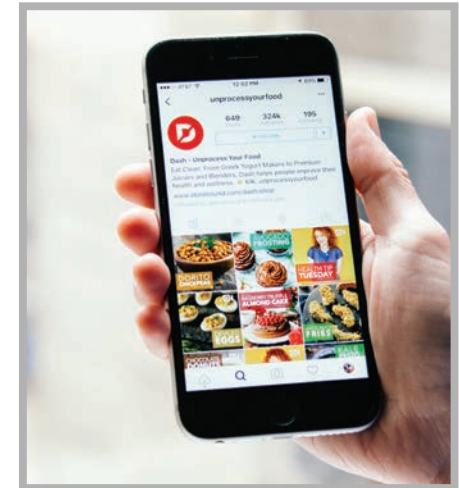

Follow us on our Instagram

FUTURE FORWARD

At Dash, we are thinking ahead and designing for the realities of today, and for the challenges of tomorrow. And we're having a great time doing it.

While our design and development team works to bring unbelievable products to life, our marketing team works to make them shelf ready. We make sure that every product launches with plenty of content to show consumers the best way to get cooking. It's our recipe for success and it's only getting better.

D•D Kitchen Couture

BY DASH

SANDWICH PRESS

SERIES #DKCS100

750 Watts. Inspired by luxury designer handbags, the Kitchen Couture Sandwich Maker brings a touch of style to your grilled sandwiches. With dual heating elements, non-stick sandwich plates and gold accents, it's one hot little number.

CHEF SERIES DIGITAL BLENDER

SERIES #DPB500

1400 Watts. 2.25 HP / 64 oz. jug. LED display for easy configuration. 6 preset functions: rinse, purée, soup, smoothie, crush, frozen. Rinse function for easy cleaning. Includes tamper to help make frozen treats.

CHEF SERIES POWER BLENDER

SERIES #DPB300

1400 Watts. 2.25 HP / 64 oz. jug.

Full variable speed control + 3 preset functions: soup, smoothie, frozen.

Hidden cord storage includes tamper to help make frozen treats.

CHEF SERIES PERSONAL BLENDER

SERIES #DPB200

800 Watts. 3 Tritan® blending containers. At 20,000 max RPM, this blender is small yet mighty. Includes a 32 oz. blending jug, a 20 oz. sport bottle, 8 oz. travel cup and is convenient for smoothies, soups, and grinding nut butters. BPA free and durable, the Chef Series Personal Blender packs all the power you need into one compact footprint.

CHEF SERIES DIGITAL CONVECTION OVEN

SERIES #DDCO100SS

Dual heating technology sets the Dash Chef Series Digital Convection Oven apart from other countertop ovens. This is the first oven of its kind with Full Range Heat Control — a technology that includes the ability to roast, bake, and toast at high heat, but also to dehydrate, make yogurt, and proof bread at low temperatures over long periods of time.

CHEF SERIES DIGITAL CONVECTION OVEN

SERIES #DDCO100SS

With a digital interface, this oven is user-friendly with over 20 preset functions for common cooking tasks. Also proofs bread and makes yogurt.

CHEF SERIES DIGITAL SOUS VIDE

SERIES #DSV200

700 Watts. 7 liter capacity. The easiest way to cook like a gourmet chef. Create restaurant quality meals at home with perfect results every single time. Powerful and quiet magnetic drive water circulator ensures precise temperature control.

CHEF SERIES SOUS VIDE CIRCULATOR

SERIES #DSV200

800 Watts. LED display with sensor touch and DC motor for reliability. Enjoy gourmet, restaurant-quality results at home with the precision control of our Sous Vide Circulator. Controls the temperature of the water to within .2 degrees. Works with your own cookware and includes a vacuum sealer to get started.

SMARTSTORE BLENDER SERIES #DSSB100

350 Watts. / 40 oz. jug. Blender base stores inside jar for efficient design. Plastic jar with twist-off blade for easy cleaning.

SPORT BLENDER

SERIES #DPB100

240 Watts. 20 oz. Tritan® blending bottle. Power-up with the Dash Sport Blender. Easy to use and versatile, featuring a sport lid for transport. Fill the blending bottle and press power for 1-touch smoothies, dressings, protein shakes, and more. BPA free, dishwasher safe.

INSULATED SPORT BLENDER

SERIES #DISB200

240 Watts. 16 oz. stainless steel insulated blending cup. Chilled smoothies, coffee drinks and cocktails blend in seconds with the Insulated Sport Blender. Double wall stainless steel cup holds up to 16 oz. of delicious frozen beverage and keeps it cold for hours.

CITRUS JUICER

SERIES #JB065

25 Watts. 32 oz. pitcher. Efficient auto-reversing electric reamer makes juicing easy. Includes 2 reamer cones for juicing both large and small citrus. Adjustable pulp-control. Pitcher lifts off base for convenient serving. Removable parts are dishwasher safe.

RAPID EGG COOKER

SERIES #DEC005

360 Watts. Boil up to 6 eggs at a time. Makes soft, medium, and hard boiled eggs, poached eggs, and omelettes. Includes poaching tray, omelette bowl, boiled egg tray, and measuring cup. Parts are dishwasher safe. Alerts you with buzzer when eggs are finished.

EGG COOKER DELUXE

SERIES #DEC012

500 Watts. Boils up to 12 eggs at a time. Makes soft, medium, and hard boiled eggs, poached eggs, and omelettes. Includes 2 poaching trays for up to 7 poached eggs at a time, large omelette bowl, and hard boiled trays for making up to 12 eggs. Auto shut off function. Accessories are dishwasher safe.

EGG COOKER CLASSIC

SERIES #DEC001

350 Watts. Boil up to 6 eggs at a time. Makes soft, medium, hard boiled eggs and poached eggs. Includes poaching tray, boiled egg tray, and measuring cup.

GREEK YOGURT TRAVEL JAR

SERIES #DTJ001

Holds 8 oz. of yogurt, 2.5 oz. of toppings.
Dishwasher safe. BPA free.

GREEK YOGURT MAKER

SERIES #DGY001

20 Watts. All components and accessories store compactly inside the main case. Parts are dishwasher safe - large container (60 oz.), small container (54 oz.), container lid (fits both containers), and our unique easy-clean Greek strainer. BPA free.

7 JAR YOGURT MAKER

SERIES #DSY007

15 Watts. Includes (7) 8 oz. single serve glass jars. User friendly digital interface with automatic timer. Jars are dishwasher safe. BPA free.

EASY TOASTER

SERIES #DEZT001

750 Watts. 2 slice toaster. Extra wide slots to accommodate bagels and more. Slide the crumb tray out for easy cleaning. 7 level browning control, plus reheat and defrost functions.

CLEAR VIEW TOASTER

SERIES #DVT501

1100 Watts. Large clear window lets you keep an eye on your toast as it browns. 7 preset browning levels plus defrost, reheat, and bagel functions. 2 slice / long slot toaster. Glass window is removable for easy cleaning. Removable crumb tray. Cord storage.

COMPACT TOASTER OVEN

SERIES #DCTO100

1100 Watts. (.9) liter. The compact size makes this toaster oven a perfect fit. Featuring quartz heating elements and auto-shut off with adjustable timer and temperature dials. Detachable baking tray and crumb tray make for easy cleaning.

ONE-CUP COFFEE MAKER
 SERIES # DPC100

700 Watts. 14 oz. capacity. A relaxing morning starts with the simplicity of the Dash One-Cup Coffee Maker. Makes 8 - 14 oz. of coffee in minutes. Uses ground coffee with a permanent filter saving money and reducing waste.

ESPRESSO MAKER

SERIES #DEM500

850 Watts. 40 oz. / 1.2 liter water tank space. Deliciously smooth espresso made to order. 1 touch buttons for single or double espresso. 15 bar pump and milk frothing wand for perfect cappuccinos.

ICED BEVERAGE BREWER

SERIES #DCBB300

725 Watts. 2.5 L (80 oz.) pitcher. Brews a large capacity pitcher of iced tea or coffee in minutes. Adjust strength of tea or coffee based on personal tastes. Tritan® pitcher fits in the refrigerator door.

GOOSENECK KETTLE

SERIES #DSGNK200

1000 Watts. 27 oz. / .8 L capacity. Boil water for pourover coffee in minutes with this electric gooseneck kettle. Combines the convenience of an electric kettle with the control of a gooseneck kettle. Gooseneck spout design enables precise control over pouring. Features boil-dry protection and auto-shutoff for safety.

EASY KETTLE

SERIES #DEZK003

1500 Watts. 57 oz. / 1.7 L capacity. Electric Kettle features rapid-boil technology for a speedy heating process lasting only minutes. The cordless kettle lifts off its base for convenient pouring and refilling. 1-touch power, auto shut off, and a stay cool handle make the Easy Kettle perfect for hot beverages.

RAPID KETTLE

SERIES #DEK001

1500 Watts. 56 oz. capacity. Rapid boil technology heats beverage in minutes. Kettle lifts off base for cordless filling and pouring. Stay cool handle, auto shutoff, and boil dry safety protection. 1-touch power.

CLEAR VIEW KETTLE

SERIES #DLGK001

1500 Watts. Glass kettle lets you see how much water is left, even when the kettle is boiling water. Features auto shut-off with boil-dry protection and a safe-touch lid. Light glass kettle lifts easily off the 360° swivel base and goes straight to the table for convenient serving.

ILLUSION MIRRORED KETTLE
SERIES #DMGK300

1500 Watts. 57 oz. / 1.7 L capacity. Sleek mirrored-finish kettle features blue LED lights that illuminate when the kettle is switched on and shut off when the kettle is boiling.

EXPRESS MULTI-POT

SERIES #DMC100

1000 Watts. 1 L capacity. Versatile hot pot can be used to boil water for coffee, tea, cocoa and much more. Make small servings of pasta, reheat soups, and simmer broth.

2 LITER ELECTRIC MULTI-POT

SERIES #DMC002

1500 Watts. 2 liter capacity. Stainless steel pot with cool-touch handle and tempered glass lid. Boils water in minutes. Use for soups, cooking pasta, steaming veggies, and more.

RAPID WOK

SERIES #DRW315

1600 Watts. 19 cup capacity. TruGlide non-stick coating. The Rapid Electric Wok is a versatile cooking vessel for stir-fry, soups, stews and much more. Featuring precision temperature control and a tempered glass lid this appliance is immersible for easy cleanup.

DELUXE SKILLET

SERIES #DSP200

1400 Watts. 27 cup / 6.4 liter capacity. This is the skillet that feeds a crowd. Deeper 3.5" cooking well allows for greater capacity and versatility when cooking in this electric skillet. Features a precision oven-knob probe and TruGlide Elite non-stick surface.

RAPID SKILLET 12"

SERIES #DRGS012

1200 Watts. 450° F max temp. Compact, portable 12" electric skillet is perfect for countertop cooking. Includes tempered glass lid and cool touch handles with a removable temperature probe.

FAMILY SIZE SKILLET 14"

SERIES #DRG114

1400 Watts. 450°F max temp. Extra-large capacity with tempered glass lid for one-pot meals and entertaining. Healthy ceramic non-stick cooking surface for easy cleanup.

SPOON & TONG SET

SERIES #DTS001

Designed for use with non-stick cookware, the Dash Silicone Tongs and Spoon Set are ideal for cooking and serving. Both utensils are coated with durable silicone that is heat resistant up to 500°F. All-purpose tongs lock securely for easy hanging or storage in a drawer and have cushioned silicone handles for comfortable, non-slip handling.

LID AND SPOON REST

SERIES #DLR001SS

Stainless steel. Keeping a clean kitchen or buffet table is easy with the Dash Lid & Spoon Rest. With a sleek brushed stainless steel construction and reversible design, this is a versatile addition to your kitchen.

GLASS PLATTER

SERIES #DSP001

From family gatherings and dinner parties to holiday feasts, the Dash Serving Platter is perfect for any occasion. With an elegant and durable glass construction, this serving platter can go straight from the dinner table to the dishwasher. Oven and microwave safe. Heat safe up to 475°F.

PANCAKE AND EGG MOLD

SERIES #DPE001

With the Dash Pancake & Egg Mold, you can serve up a stack of silver dollar pancakes and make perfect egg sandwiches right at home. Silicone easily releases from your food and the Mold can go straight into the dishwasher for easy clean up. Silicone handle stays cool while cooking. Dishwasher safe, oven safe, microwave safe up to 500°F.

ONE PAN KITCHEN COOKBOOK

Cooking should never be a chore. The One Pan Kitchen Cookbook allows even those who are anxious in the kitchen to prepare a delicious, healthy meal with simple appliances that are designed to make your individual experience the best it can be.

MINI RICE COOKER

SERIES #DRC100

200 Watts. A small yet mighty appliance, perfectly proportioned for 1-2 people, and featuring a measuring scoop, mixing paddle, non-stick removable pot, and auto shut-off functions. Ideal for every space, from dorms to offices. Make rice, quinoa, and more with our Mini Rice Cooker.

MINI COOKER

SERIES #DRC200

200 Watts. A small yet mighty appliance, perfectly proportioned for 1-2 people, and featuring a measuring scoop, mixing paddle, non-stick removable pot, and auto shut off functions. Ideal for every space, from dorms to offices. Make rice, quinoa, soups, and more with our Mini Rice Cooker. Bonus: a Keep Warm function allows food to stay hot, even when you finish cooking.

WHOLE GRAIN COOKER

SERIES #DGC018

700 Watts. 10 cup capacity makes over 20 cups of cooked rice. Wholesome grains cook to perfection in the Dash Grain Cooker. Make nutritious quinoa, barley, bulgur, amaranth, teff, buckwheat, brown rice, steel cut oats, farro, spelt, and heritage grains in this electric cooker. Large capacity, non-stick cooking vessel and Warm function make this cooker an easy to use solution for eating more whole grains at home.

ONE PAN MEAL OVEN

SERIES #DOPM500

1200 Watts. Make healthy delicious one-pan meals with this compact countertop oven. Accommodates up to a 12" pizza and includes a timer with auto shut-off. Recipe guide included with healthy sheet pan meals and pizza recipes.

COMPACT AIR FRYER

SERIES #DCAF150

1000 Watts. 5 cup / 1.2 liter capacity. The Compact Air Fryer features temperature control up to 390°F and a timer for a faster and healthier way to fry. Cool touch housing and handle with non-stick coating and dishwasher safe parts. Filter reduces smoke and odor from frying.

FAMILY SIZE AIR FRYER

SERIES #DFAF450

1800 Watts. 22 cup / 5.2 L capacity. Make healthier fried food for the whole family with the Family Size Air Fryer. Reduce fat by up to 80% and save time while still enjoying crispy foods. Features temperature control from 175°F to 390°F with a 30 min timer and auto-shutoff.

DOUBLE UP SKILLET + OVEN

SERIES #DPS001

1440 Watts. From perfectly fried eggs and fluffy frittatas to mouthwatering steak fajitas and even blackberry cobbler, the Double Up Skillet Oven does it all. Dual heating elements heat up quickly and evenly for perfectly crisped pizza crust in a fraction of the time. Folds for upright storage – perfect for stowing away on any kitchen countertop or cabinet.

EXPRESS MAKERS

EXPRESS GRIDDLE

SERIES #DMG8100

MINI MAKER 3-PACK

SERIES #DGMS03ST

350 Watts. 3 different cooking surfaces for everything from chocolate waffles to grilled cheese sandwiches. Compact and easy to use, the Mini Makers are perfect for quick, healthy snacks. Non-stick cooking surfaces makes clean up a breeze and a blue indicator light signals when the device is preheated and ready to go. From chocolate waffles to grilled cheese sandwiches, there's something for everyone!

OMELETTE MAKER

SERIES #DOM001

700 Watts. Make omelettes in an instant with the Dash Omelette maker. Simply pour the egg mixture into the cooking pan, close the lid and flip for a perfectly fluffy omelette every time. Omelettes are just the beginning: make grilled chicken breasts, homemade grilled pockets, burritos, grilled cheese and pocket pies. Stores compactly and features a cord wrap.

NO MESS WAFFLE MAKER

SERIES #DNMWM400

1200 Watts. 4 slice capacity. Make consistently warm, medium brown waffles without the sticky surfaces and edges. A non-stick cooking surface with overflow channel keeps this Waffle Maker clean and easy to use.

FAMILY SIZE GRIDDLE

SERIES #DFAMG001

1500 Watts. 19" x 15" cooking surface.
Extra large 22" surface area for cooking
entire meals. Non-stick surface and drip
tray for healthier cooking and easy cleanup.

ELECTRIC CARVING SET

SERIES #DNIF001

120 Watts. Slice safety and precisely with our Electric Carving Knife Set. Perfect for holiday and everyday use, the Dash Electric Carving Set slices through meats, poultry and bread evenly and with minimal effort. Storage box included.

INSTANT STEAMER

SERIES #DIS001

1000 Watts. Ample sized steamer baskets let you cook entire meals all at once. 3 steamer baskets for keeping different foods separate when cooking. Continuous cooking even when refilling water tank. Baskets are dishwasher safe for easy cleanup.

SMARTSTORE DEHYDRATOR

SERIES #DEHY100

Making homemade jerky, dried fruits and veggies has never been easier with the Dash SmartStore Dehydrator. Just dial in the temperature to make unprocessed dried foods without added sugar or sulfites. With 5 stackable, transparent trays; the dehydrator has ample capacity but collapses down for easy storage. Trays are dishwasher safe for easy cleanup.

CANDY MAKER

SERIES #DCM150

25 Watts. Compact and easy to use, this simple set makes unprocessed chocolate or gummies for everyone. The Candy Maker comes with 1 heart and 1 bear-shaped silicone mold, and includes high and low heat settings on the melting pot.

FRESH POP HOT AIR POPCORN MAKER

SERIES #DAPP150

1300 Watts. Make healthier popcorn without any extra oil or additives. Makes up to 15 cups of fresh popcorn in under 3 minutes. Includes measuring cup and removable butter warming tray.

RAPID BREAD MAKER

SERIES #DRBM200

530 Watts. Make a fresh loaf of homemade bread in under 1 hour with the patented technology of our Rapid Bread Maker. Choose from 2 loaf sizes and 12 settings with presets for favorite breads and cakes. Also makes yogurt and jam.

EVERYDAY MIXER

SERIES #DCSM250

250 Watts. 2.5 qt. stainless steel mixing bowl. Compact, portable, and lightweight - sized to fit under kitchen cabinets. 6 preset speeds. Revolving bowl with adjustment lever for better mixing. Includes 2 dough hooks and 2 beaters.

SMARTSTORE HAND MIXER

SERIES #SHM01DS

120 Watts. 3 speeds. Beater storage in handle with low profile design for drawer storage. 3-speed operation for mixing, beating, blending, and whipping.

MASHA 2X

SERIES #DMA001

160 Watt. DC motor. Mash, purée, mix and more with minimal effort. Ergonomic, non-slip hand grip for secure handling. Includes 2 attachments for versatility. Attachments are dishwasher safe. Simple assembly/disassembly for easy cleaning.

SALAD CHEF

SERIES #DSC001

150 Watts. 5 cone attachments: thick slicer, thin slicer, coarse shredder, fine shredder, grater. Slim, compact design. Shred and slice right into your serving bowl or dish. Parts are dishwasher safe.

ELECTRIC MANDOLINE

SERIES #DEM001

250 Watts. Slice veggies and fruits at the touch of a button. Featuring blades for 6 different cuts: thick slicer, thin slicer, julienne, fine julienne, cuber, and grater, the Dash Electric Mandoline preps food like a personal sous chef.

INFINITY SPIRAL SLICER

SERIES #DSS500

80 Watts. Electric spiralizer makes it easy to make veggie noodles in a dash. Three interchangeable blades provide three different cuts, giving fruits and veggies plenty of variety. Endless spiral slicing makes this appliance an easy-to-use for beautiful presentation.

RAPID PEELER

SERIES #DAP001

Peels fruits and vegetables in seconds for pies, pasta, and more. Peeler automatically shuts off when fruit or vegetable is fully peeled. Operates cordlessly with 4 AA batteries or AC power adaptor. Storage compartment in base holds 2 replacement blades and paring tool.

SPIRAL SLICER

SERIES #DSS001

Whip up delicious vegetable pastas, fruit, veggie salads, and curly fries in minutes. The three interchangeable blades provide different types of cuts, for vegetable or fruit ribbons, linguine, spaghetti, and even slicing veggies.

SALAD PREP PRO

SERIES #DSPP01

Everything you need to make the perfect salad - all in one device. Salad spinner, slicer with 3 interchangeable blades, and storage container with lid.

SALAD TO GO

SERIES #DSTG01

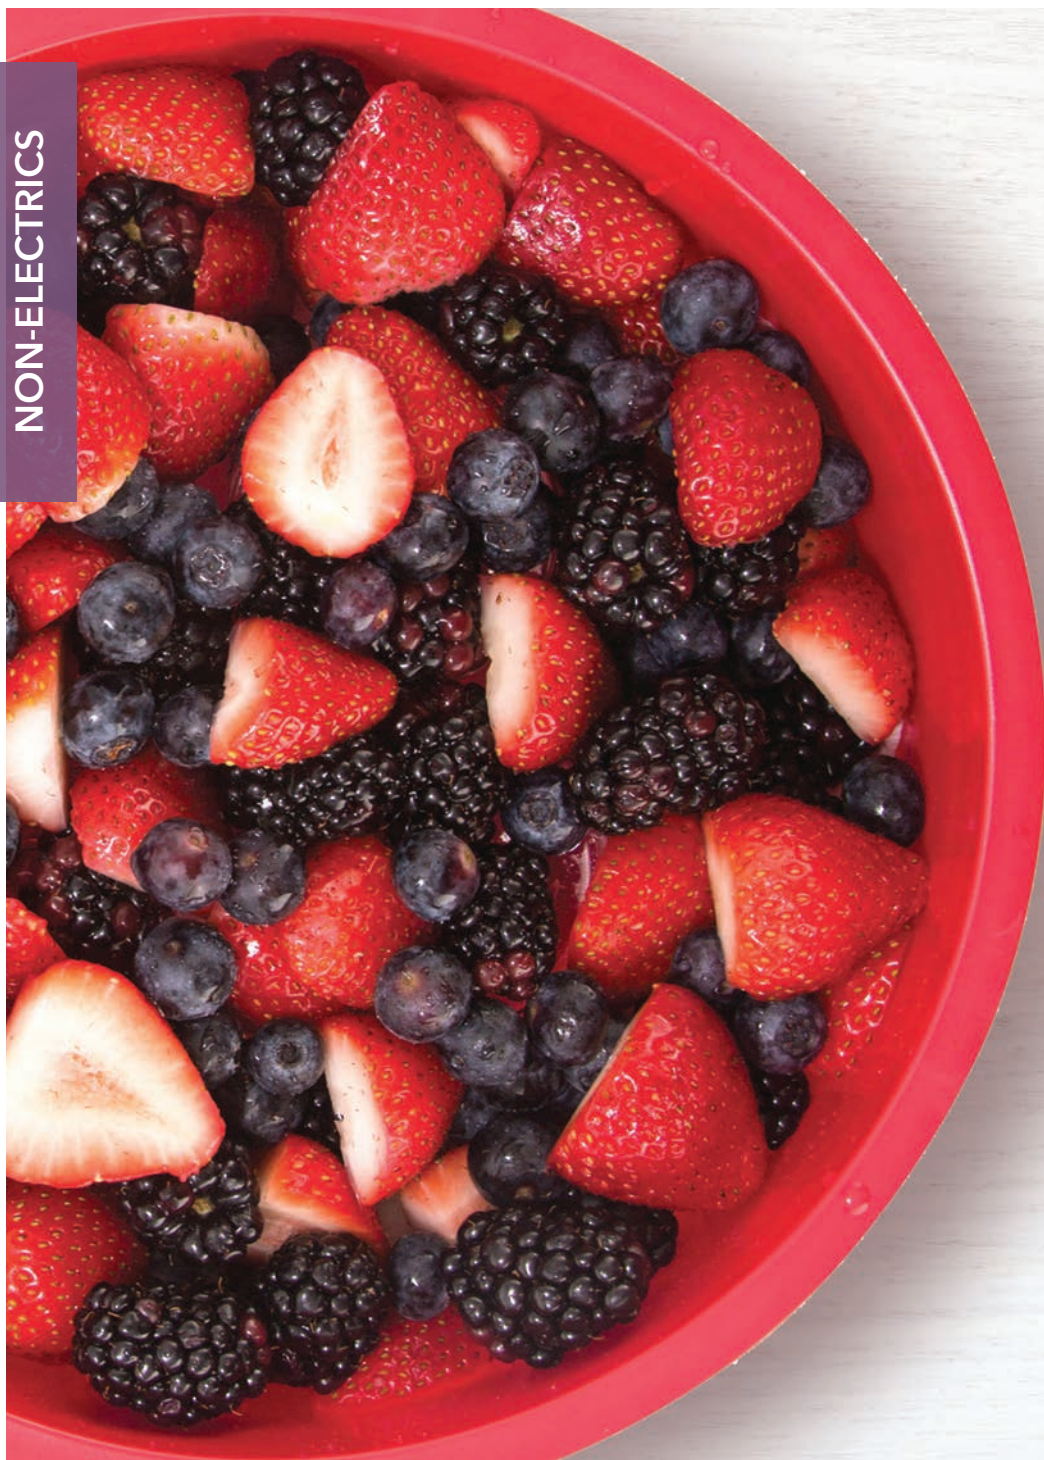

Perfect for serving crisp, vibrant salads - anywhere you go. Ample sized bowl makes it easy to toss leafy greens with your favorite toppings and dressings. The upper 4 section tray keeps your toppings and dressing separate from the greens to keep your salad fresh. This versatile set can also be used to serve appetizers, chips and dip, fruits and cheeses, and more. A serving spoon and fork conveniently store inside the set for easy mixing and serving.

DELUXE EGGCESSORIES

SERIES #DECA003

From classic to gourmet deviled eggs, you can do it all with the Egg Cooker Deluxe Accessories set. Includes a 4-in-1 Serving Set, Pastry Bag with 5 tips, and a Deviled Egg Recipe Book. The 4-in-1 Serving Set lets you easily transport and share your delicious devils with family and friends. The egg tray beautifully displays your creations while the 3 section tray holds all of your favorite appetizers.

MIX & PREP BOWL

SERIES #DHB004

Our SmartStore Hand Mixer teams up with this 4-piece colander and mixing bowl set to help organize the cooking process. Durable and versatile, with a clear plastic splatter guard for mixer use and silicone seal for storage the Mix & Prep Set is a must-have for any starter kitchen.

COLLAPSIBLE SILICONE STORAGE

SERIES #DSIS040

From freezer, to microwave to dishwasher, the Dash Collapsible Silicone Storage Containers make food storage a cinch. This set comes with containers in 4 different sizes to fit all of your storage needs from fresh ingredients to leftovers. And when you're ready to store your containers, they collapse to half their size for efficiency.

PREP & STORE SET

SERIES # DPSSS200

From freezer to microwave to dishwasher, the 20pc. Prep & Store Set makes prepping and storing your weekly meals a cinch. The set includes a cookbook with 15 meal prep recipes, and 10 containers in 2 different sizes so you can keep your veggies, meats, pastas, and soups fresh for longer. Containers nest for efficient storage and can go straight into the dishwasher for easy cleaning.

PREP * STORE SET

SERIES #DPSSS200

From freezer to microwave to dishwasher, the 20pc. Prep & Store Set makes prepping and storing your weekly meals a cinch. The set includes a cookbook with 15 meal prep recipes, and 10 containers in 2 different sizes so you can keep your veggies, meats, pastas, and soups fresh for longer. Containers nest for efficient storage and can go straight into the dishwasher for easy cleaning

XL SILICONE ICE MOLDS

SERIES #DICE100

Freeze fruit and yogurt for a quick breakfast smoothie, combine your favorite herbs and butter and chill to spread over roasted vegetables, or make delectable bite-sized chocolates for a special occasion with the Dash XL Silicone Ice Molds. Ice molds stack for convenient storage. Dishwasher safe.

GLASS POPCORN POPPER

SERIES #DPCP100

8 cup capacity. Whip up a batch of fresh, homemade, additive-free popcorn in the microwave in just minutes with the Glass Popcorn Popper. Heat-safe borosilicate glass container holds up to 8 cups of popped popcorn and is dishwasher safe for easy cleanup.

FLIP PAN

SERIES #DFP200

The silicone seal and powerful magnetic handle creates a low pressure method to trap in flavor. With non-stick grill and griddle surfaces, the upper and lower pans can be detached and used individually. Features aluminum construction and PFOA-free non-stick surfaces with cool touch handle.

DASH ONE SOLID ANODIZED PAN

ONE PAN TO RULE THEM ALL

We've thought through all the details to create the ONE pan that you need for every meal—it's a versatile solution for everyday cooking.

DURABLE AND LIGHTWEIGHT CONSTRUCTION

Our hard anodization process means we can create an ultra durable pan that's lightweight and heats up quickly and evenly.

GENEROUS GEOMETRY

The dimensions of the pan are designed to be perfectly versatile for cooking ONE pan meals from stirfrys, to eggs and so much more.

TRUGLIDE HEALTHY NON-STICK

Our exceptional TruGlide non-stick surface is PFOA-free and lets you cook healthy meals with no oil needed.

PANCAKEBOT

SERIES #PNKB01

The PancakeBot™ is the world's first food printer capable of printing pancakes by automatically dispensing batter directly onto a griddle. Pancake designs can be loaded onto the PancakeBot™ via SD card. Users can make their own pancake designs with the included software, or browse through our online community updated with fun, new designs every week.

unprocess your food™
