Our Story

The Trusted Authority in Immersion Blenders Since 1950.

bamix® pioneered the best multi-purpose and convenient tools for the kitchen. Offering a combination of power and durability, bamix® quickly chops, purees, beats, mixes, froths, stirs, & emulsifies. The versatility of this hand-held machine makes for quick and easy work in the kitchen, replacing other food processors, blenders, mixers, grinders, and whisks, even ice cream machines!

What Makes bamix® Different?

- 100% of energy is transmitted through shaft. All other competitors lose 50%-60% energy once contact is made with food.
- 100% Swiss Made for exceptional quality
- AC motor for more torque & durability- built to last a lifetime
- Airtight construction allows liquid immersion past the neck for work in deep pots

Why bamix®?

- The original immersion blender
- Two speed settings for every task
- Whisper quiet
- Very easy to clean, just rinse in soapy water
- Odor resistant & grease repellent due to special coating
- 5 year warranty

Tzatziki Sauce with bamix®

1 cup yogurt
¼ cup cucumber
¼ cup fresh dill, firmly packed
1 clove garlic

Mince dill & garlic in the Processor until fine. Then add cucumber & yogurt & pulse the low speed 5-6 times with the double-bladed knife to incorporate ingredients.

Tzatziki sauce is perfect for all kinds of meat- beef, pork, lamb, chicken, fish, or anything grilled. Spice up your burgers, pitas, or mashed potatoes this summer by adding a dallop of tzatziki.

Accessories

Blades

A Blade (Aerating) Item: 560530

For beating egg white, cream, soufflés, & meringue. People who are conscious of their diet can even make a diet whipped cream by whipping skimmed milk. Blends sauces (béchamel, hollandaise). Homogenizes shakes and desserts, zabaglione or tiramisu. Emulsifies sauces. For everything that should be light and fluffy.

B Blade (Blending) Item: 560520

For stirring and creaming pancakes, omelettes and batter mixtures. Purees mashed potatoes in no time at all. Makes puddings creamy. Emulsifies salad dressings – and even cosmetic creams. Whisk your mayonnaise in seconds (and it is natural, without additives or preservatives!) For all mixtures with a thick or cream consistency.

C Blade (Chopping) Item: 560500

For mincing, chopping, and pureeing raw and cooked vegetables, fruit, cooked meat, frozen fruit for ice cream, sorbets, & smoothies. Purees soups and sauces direct in the pan on the stove. Purees baby food. Mixes doughs for cakes & pastries. Liquidizes fruit & berries for desserts & jams. Even crushes ice cubes for cold drinks & cocktails.

S Blade (Slicing) Item: 560510

For chopping and mincing small quantities of raw and cooked meat & fish. Perfect for chopping fibrous vegetables like asparagus, rhubarb, & spinach.

Beakers & Jugs

Great for individual smoothies, salsa, mayonnaise, dressings, and more. Smaller portions are economical and easy to keep fresh. Beakers & Jugs are heat resistant & microwave safe.

Mayo Beaker (400ml) **Item: 560541**

Perfect for small quantities. The ideal size for making a mayonnaise with one egg or the whites from one to two eggs. With the close-fitting snap-on lid you can store your mayonnaise for days in the fridge. Ideally suited for storing food. Heat-resistant up to 100°C (212°F) & suitable for use in freezers and microwave ovens, non-toxic, and dishwasher proof. BPA FREE SAN plastic. *gray lid sold separately (560543)*

Combination Set **Item: 560540**

Includes Mayo Beaker (400ml) and Multi Beaker (600ml) with gray lids. Heat-resistant up to 100°C (212°F) & suitable for use in freezers and microwave ovens, non-toxic, and dishwasher proof. BPA FREE SAN plastic.

Jug (1000ml) **Item: 560550**

The specific inner shape makes this jug perfectly suited to working with the bamix®. Heat-resistant up to 100°C (212°F) & suitable for use in freezers and microwave ovens, non-toxic, and dishwasher proof. Includes ml and oz measurement markings and "No-Drip" Spout for easy pouring. BPA FREE SAN plastic. *black lid sold separately (560551)*
