## EVERYDAY ENTERTAINING

Founded in 1983, Rabbit is the leading wine and barware brand in the United States. Rabbit's Seattle based Design Team is committed to broadening our product offering through constant product development. Rabbit creates well designed and functional wine, beer, and bar tools for everyday entertaining. A core pillar of our design is to bring people together. This collection helps you open wine faster, chill whiskey longer, and keep beer fresher, so you can spend more time enjoying.

## WINE ACCESSORIES

Open / Serve / Preserve

The Rabbit wine collection offers a complete solution to opening, serving, and preserving wine. The industry-leading assortment enhances the overall wine experience regardless of the occasion. The new collection builds upon Rabbit's long standing commitment to deliver unique and stylish products with clear functional value.

# OPEN WITH AIR

## RABBIT AERO WINE OPENER

1. Insert pressurization pin
2. Build air pressure
3. Eject cork

The Rabbit Aero Wine Opener is an innovative, worm-free wine opener that opens a bottle of wine with air pressure.

The simple act of raising and lowering the lever releases the cork with no damage to the cork.

Elegant stainless-steel construction is accented with silicone grips.

# A CLASSIC, REINVENTED

---

## RABBIT WINGED CORKSCREW

The Rabbit Wing Corkscrew takes a classic product and reinvents the form and function. A rotating ring makes it easier to align the corkscrew properly, while the fixed worm design provides additional leverage for uncorking bottles. Made of sturdy zinc construction, the wing corkscrew is made to last.

- + Rotating ring at base makes bottle alignment easy
- + Fits all bottle sizes
- + Stainless steel accents

# WHY AERATE?

## Why aerate?

---

Exposing wine to air creates oxidation and evaporation. This softens the harsher compounds of the wine to bring out the intended aromas and flavors.

## How does it work?

---

As wine is poured through the Rabbit Aerator, pressure is built in the funnel. This pressure draws oxygen into the wine creating an immediate reaction. You can see it working by the bubbles and gurgling sound that the wine makes when passing through the Rabbit Stainless Steel Aerator. This process creates oxidation and evaporation of the wine which improves the flavor and bouquet.

## RABBIT AERATOR

---

- + Aerates wine as you pour
- + Dripless pour spout
- + Stainless steel accents and sleek in-bottle design

# PROLO FRESHNE + FLAV

---

## BOTTLE STOPPERS

When wine is exposed to air it flattens the flavors and aromas. Reduce air exposure with Rabbit Stainless Steel Bottle Stoppers. The silicone base molds to all bottle sizes, creating a secure seal that prolongs the freshness and flavor of opened wine.

- + Hand-finish zinc top
- + Preserves wine with an air-tight seal
- + Set of two

# OPEN + PRESERVE WITH ACCURACY

---

## ELECTRIC OPENER ELECTRIC PRESERVER

The Rabbit Electric Opener opens wine automatically. No buttons or levers needed, the Rabbit Electric Corkscrew does the work for you. The LCD screen lets you know how many pulls you have left in your charge so you never unexpectedly run out of battery. Hassle free opening.

- + Integrated foil cutter
- + Brushed stainless accents
- + Wall charger included

Our Electric Preserver incorporates a unique pressurization gauge that tells you when your wine has been properly preserved. While the vacuum is engaged, watch the arrow move from gray to green letting you know when to release. The vacuum preserves wine in 10 to 15 seconds.

- + Two reusable stoppers included
- + Brushed stainless steel accents
- + Battery operated

## BEER ACCESSORIES

In the United States there are over 4,000 breweries - it's safe to say America loves beer. Our beer collection curates products that enhance your beer drinking experience. From growlers that keep beer fresher to glasses that keep beer cooler, our products are a perfect addition to any home or brewery.

**Growler** ————— 03

**All Beer Products** ————— 03

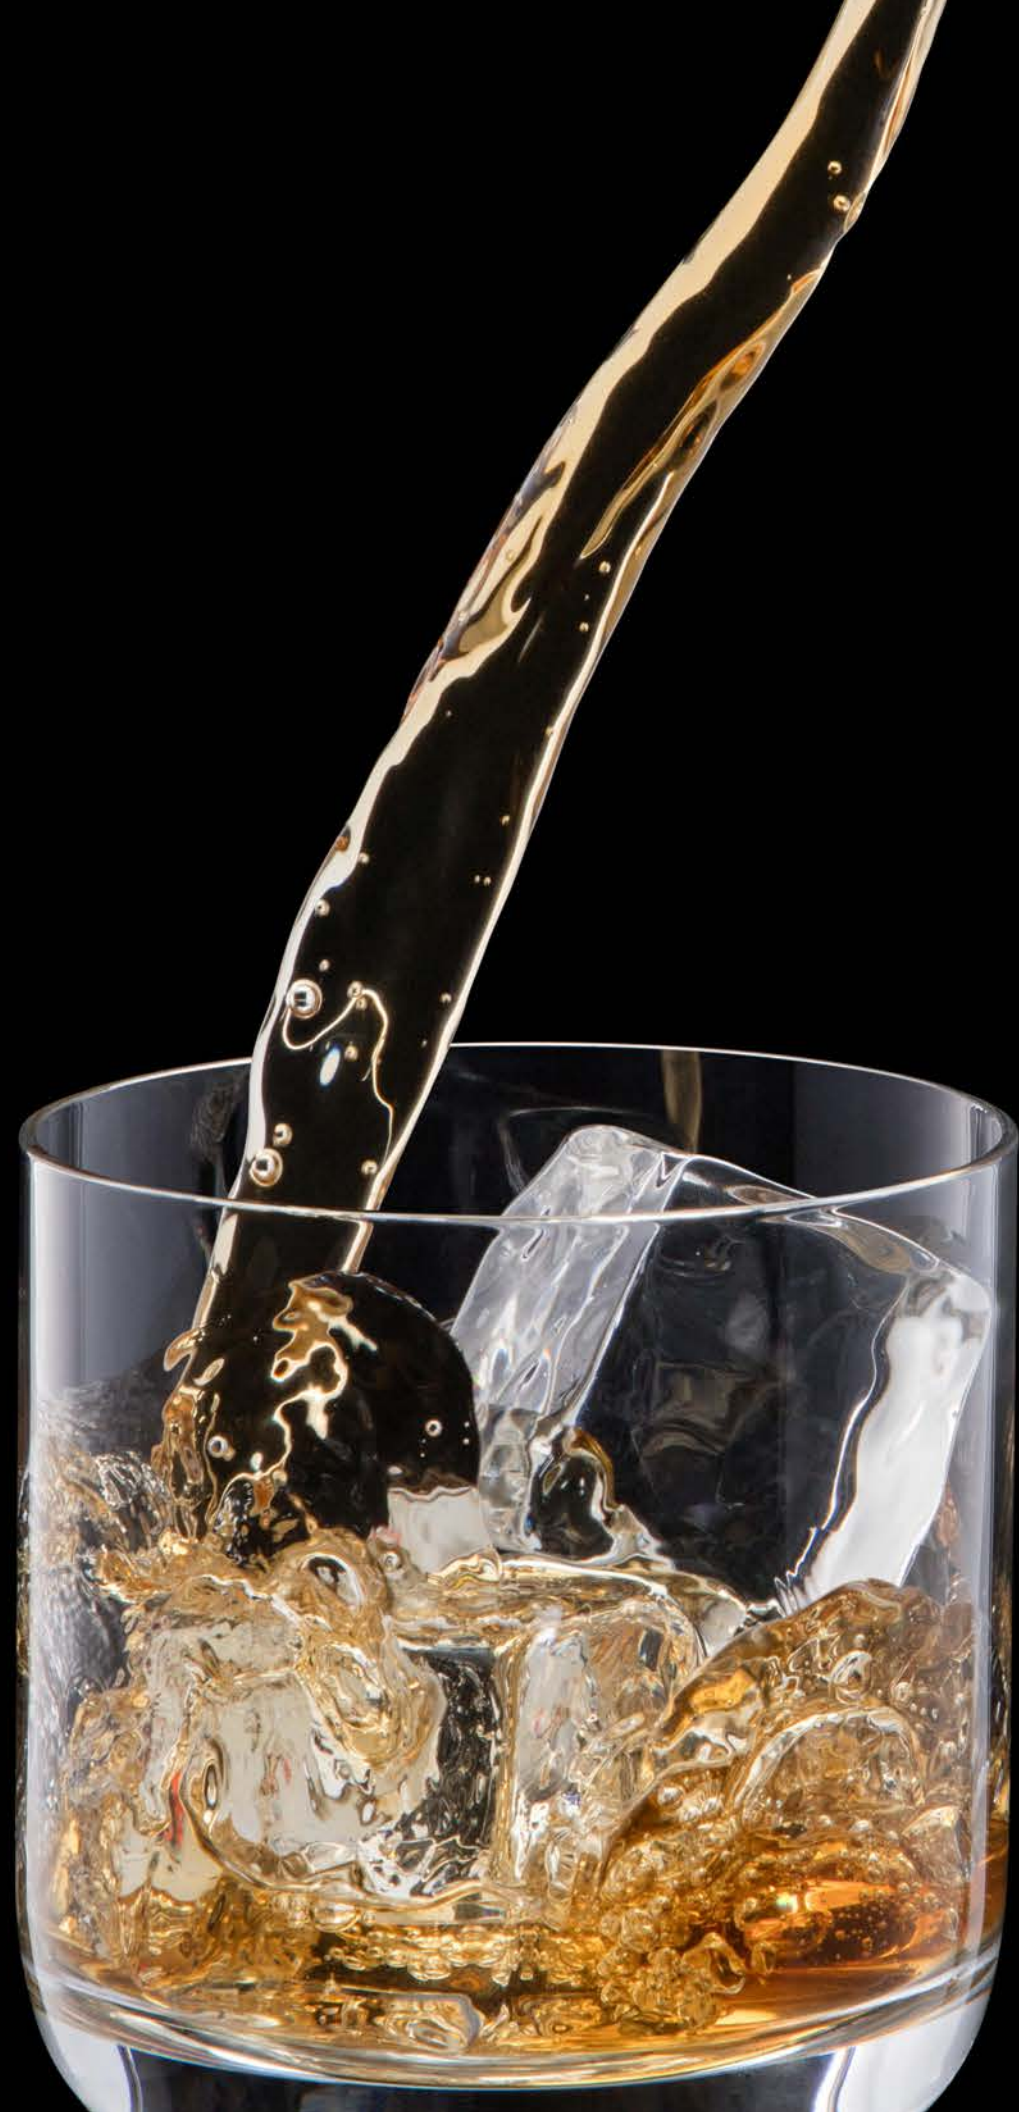

---

**RABBIT GROWLER**

Take your favorite craft beer, cocktail, or iced coffee anywhere with the Rabbit Stainless Steel Growler. The durable, double-walled stainless steel construction keeps drinks cold. While the threaded cap prevents spills and protects beer from going flat. The wide mouth and comfortable handle makes for easy pouring and cleaning.

# OLD FASHIONED WITH A TWIST

---

## BAR ACCESSORIES

The Rabbit Bar collection offers solutions to chilling, mixing, and enjoying the perfect drink. Our Bar series was crafted with local mixologists to ensure that bar cocktails can be replicated at home. Our assortment consists of award winning cocktail tools, cutting edge ice makers, and classic bar items.

# BARTENDER APPROVED

---

## CLEAR ICE TRAY

Bartenders have been using clear ice for years, now you can make it too! Make ice that's crystal clear and free of impurities with the Rabbit Clear Ice Tray. Not only is clear ice pure, it's also denser so the ice melts slowly, ensuring less dilution. A good cocktail starts with good ingredients. Ice is no exception.

- + Clear ice is free of impurities
- + Clear ice won't melt as fast because it is more dense
- + Clear ice freezes from top to bottom to separate the clear ice from the opaque ice

---

## OLD FASHIONED RECIPE

- 2 tsp / simple syrup
- 1 tsp / water
- 2 dashes / bitters
- 1 / Rabbit Clear Ice Cube
- 1.5 oz / bourbon whiskey
- 1 / orange twist

Pour simple syrup, water, and bitters into a whiskey glass.

Stir to combine, then place the ice cubes in the glass.

Pour bourbon over ice and garnish with orange twist.
