

FLEX Steam Mop

The Sienna FLEX Steam Mop is an innovative product that cleans and sanitizes your home by harnessing the natural cleaning power of hot steam vapor.

The FLEX steam mop offers powerful steam cleaning in a small, compact unit with an adjustable height handle. The FLEX steam mop is steaming and ready to go in few seconds, produces superheated steam to kill germs, bacteria, and viruses leaving hard floor surfaces sanitized. The steam stop feature quickly stops the flow of steam when the Flex mop is put in the upright and locked position, steam resumes when handle is unlocked allowing you to clean with confidence. The FLEX steam mop is safe, ideal to use in households with pets, children, and allergy sufferers. The high temperature steam eliminates the need for chemical cleaners. The FLEX steam mop leaves floors sanitized and bacteria free using only superheated steam.

Features

- Adjustable height handle from 39" to 46" is perfect for most people to find a comfortable cleaning position
- 1500 Watts of Power produces super heated constant steam without pumping
- Deodorizes, sanitizes, and cleans all sealed hard floors naturally
- Ideal for use on wood, vinyl, and tile floor surfaces
- Eliminates germs and bacteria using only steam

Unit includes carpet glider kit, 2 washable high quality microfiber cleaning pads, and filling cup.
