Cuisipro at A Glance.

For almost 20 years, Cuisipro has been a name synonymous with innovation, high quality and sophisticated design. Serious cooks love to use our streamlined, functional and beautiful implements. As an industry leader, our impressive range of exceptional kitchen tools consistently challenges expectations.

Our Mission

At Cuisipro we believe in the joy and pleasure that great food - and its preparation and serving - can bring. We want to bring people together around cooking, sharing and entertaining. Our mission is to create distinctive products that help our customers do just that - with pleasure. Our ergonomic designs work beautifully and can be displayed with pride and used with confidence.

Our Passion

Having the right tool in hand inspires you to use it. Hold a Cuisipro tool and you hold everything we believe in: design that pleases your eye, function that rewards your hand, value that surprises and innovations that exceeds expectations. Eating is a fundamental experience that connects us to people, our senses and the world around us. We hope that our beautiful collection brings those happy connections to your table. Cooking is our passion.

Our Values

Our company is founded on integrity, trust, openness, honesty and excellence. We work hard and are committed to bringing our customers the best products using innovative design and the highest quality materials at a fair price. We support our quality promise with a 25-year warranty.

Our Story

We have been making fine kitchenware for almost 20 years. We now have more than 250 products in our exclusive collection and we have customers around the world. From Jersey to Johannesburg, from Toronto to Tipperary, from Paris to Poughkeepsie, from Sydney to Santiago, and from Shanghai to San Jose, Cuisipro is a truly global brand available in a full range of local and larger stores. Our international perspective keeps us in tune with food tastes and changing markets - and we use this knowledge to guide our vision.

Our Products

Cuisipro believes that the simple pleasure of using of a well-designed spatula, spoon, whisk, grater or measuring cup will make cooking and serving a pure joy. Our contemporary forms and materials never go out of style. Our award-winning designs are casually elegant, classically modern and enduringly timeless.

Our Customers

We boast cooking professionals and gourmet enthusiasts as our dedicated customers. From master cooks to private chefs, we know that Cuisipro tools help all our customers deliver the classics, create masterpieces or write entirely new recipes. Cuisipro lets you explore techniques and discover new tastes! Cuisipro rewards and inspires connoisseurs by giving you the freedom and confidence to cook with passion and share all the connections that food brings.

Food Preparation

Today's home chef demands tools that deliver consistent, superior performance with every use. Cuisipro food preparation tools have been created to perform each specific task with precision and ease while always providing the finest results. Every Cuisipro tool has been designed to meet the highest standard for quality, comfort, and convenience.

Surface Glide Technology™ Graters

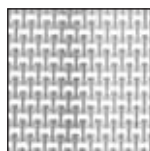

Exclusive to Cuisipro, Surface Glide Technology™ grooved grating surface takes etched graters to the next level. Surface Glide Technology™ graters create the perfect balance between ease of grating and maximum efficiency for the ultimate grating experience that etched graters alone cannot compete with. The science behind this technology is based on the repeated grooved pattern that is spread evenly across the face of the grating surface. First, the groove reduces resistance, making grating effortless. Second, the groove elongates the length of each individual blade, so it has a larger cutting surface that comes in contact with food, therefore grating more with less effort. European Pat No. 2 338 395, USA Pat No. 8 448 887.

Superfine

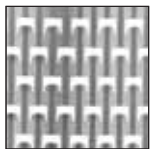

Ideal for cinnamon, nutmeg and chocolate for decorating your dessert and garnishing cappuccinos.

Fine

Perfect to create a fine, silky texture and dry or moist ingredients, such as citrus, hard cheese or ginger.

Coarse

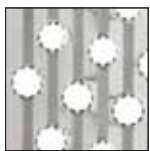

Works great for most cheeses and vegetables including carrots or ginger. The texture is more varied among ingredients than with a fine grate.

Ultra-Coarse

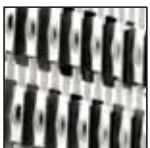

Ideal when you want to highlight the taste of an individual ingredient such as cheddar cheese in a wrap or carrots on a salad.

Starburst

The ideal blade creates a fine mist of powdery Parmesan cheese to cover your favorite foods, from appetizers and soups to pastas and salads.

Julienne Slicer

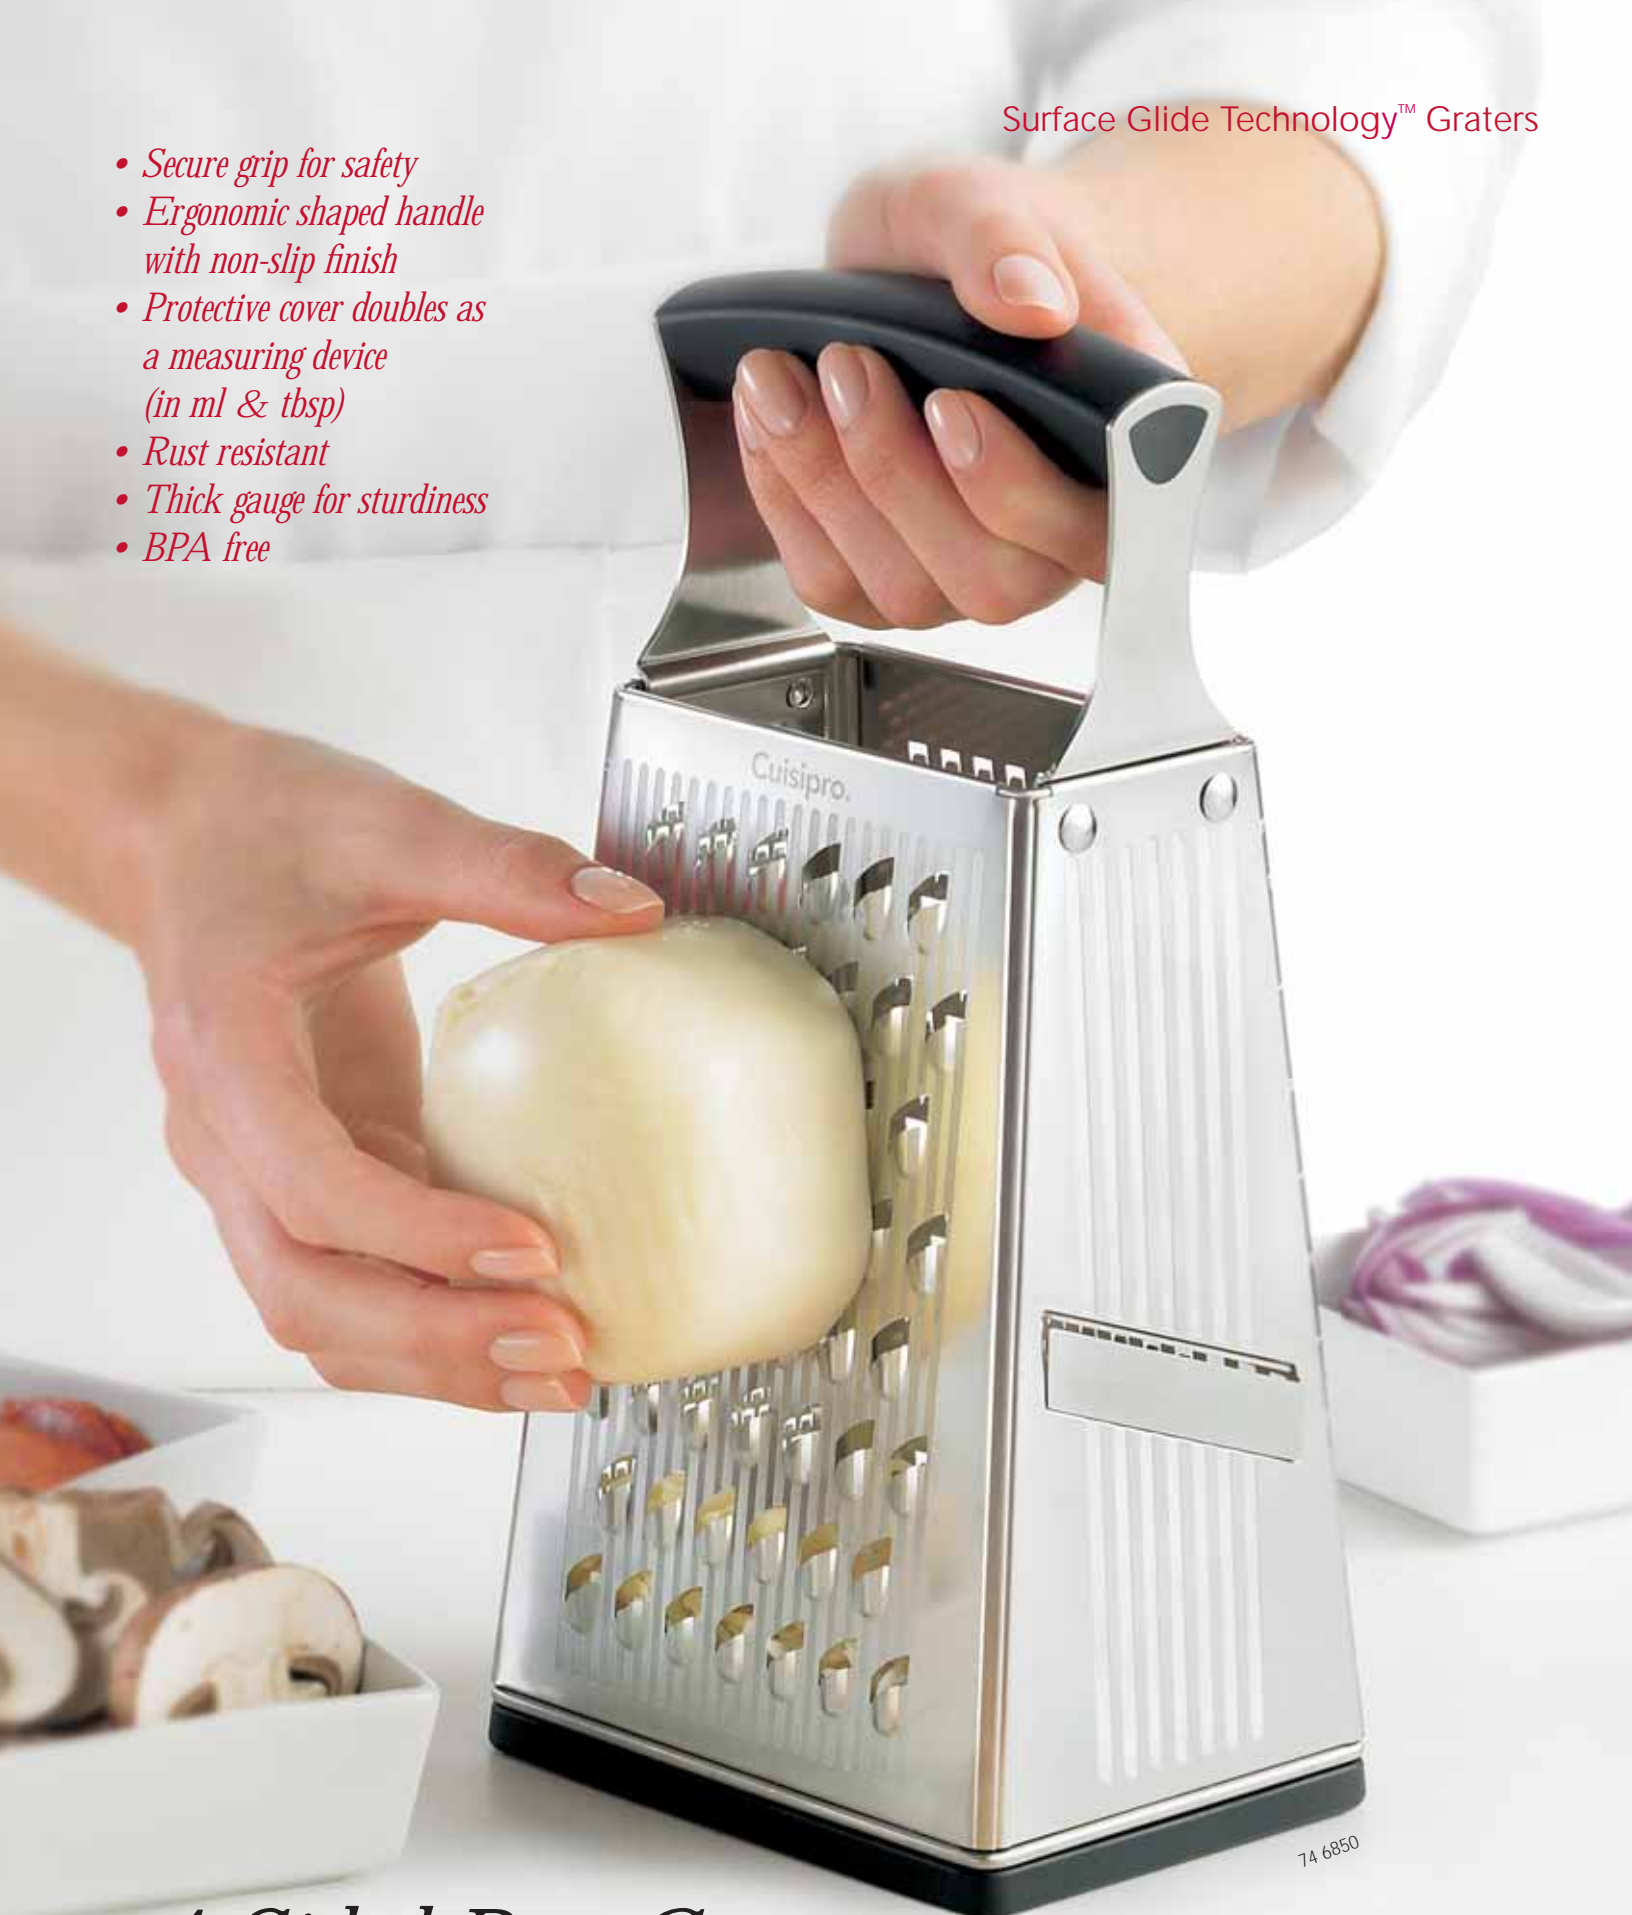

Easily create long, thin, restaurant-style strips for garnishing your dishes.

Shavers

The shavings take on their own characteristics with individual texture of ingredients making an immediate impression.

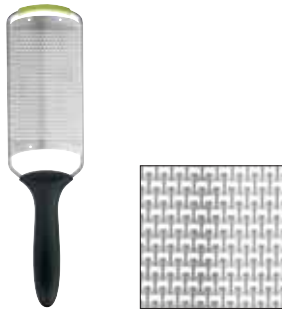

- *Secure grip for safety*
- *Ergonomic shaped handle with non-slip finish*
- *Protective cover doubles as a measuring device (in ml & tbsp)*
- *Rust resistant*
- *Thick gauge for sturdiness*
- *BPA free*

FLXaPrene™

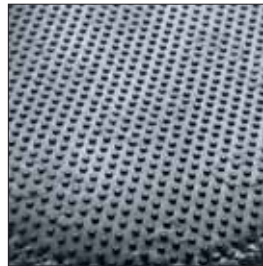

*Protect your hands from hot & cold temperatures
500°F / 260°C to -134°F / 92°C*

Since 1985, Kitchen Grips Inc. has been manufacturing award-winning textiles. For over twenty years, their cutting-edge products and designs have been changing the way the world cooks, using innovative technology. Kitchen Grips Inc. offers a unique line of kitchen gloves and hand safety products made of FLXaPrene™. This material is not only heat and stain-resistant, but is flexible and comfortable to use. Forward thinking has led Kitchen Grips® to continuously develop and improve their products and selection. From creating different sizes to designing extendable mitts, Kitchen Grips® will continue to produce the highest quality products and advance in new directions.

Flexible

FLXaPrene™ material is soft and pliable, making it very comfortable to use.

Increased Insulation

Raised nub surface texture creates more insulation between the hand and the heat source.

Stain-Resistant

Stains wash off unique FLXaPrene™ material with ease.

Non-Slip Grip

Raised nub surface pattern is engineered to provide a better, safer, non-slip grip.

Dishwasher Safe

Easy to clean. Simply place on the top shelf of the dishwasher.

Water-Repellent

Protects hands from steam and liquid burns, even when wet.

Dexterity

Easily pick up small items

Hygienic FLXaPrene™ Material

FLXaPrene™ material prevents stains that cause bacteria buildup on the glove.

*Kevlar® Stitching
helps a high heat-
resistance*

*Nubbed texture
enhances non slip
qualities*

Chef's Mitt

Get the Mitt that Fits

Kitchen Grips® just got better. The mitt that fits now fits even better with an improved cut that better fits your hands. Poorly fitted mitts are awkward, clumsy and unsafe. Kitchen Grips® provides mitts that fit snugly and comfortably; offer dexterity and control; and superior heat protection. Kitchen Grips® come in a wide array of eye-catching colours. You wouldn't settle for a shoe that doesn't fit so why settle for an ill-fitting mitt? Try one on and feel the difference.

through medium funnel*

Innovation at Cuisipro.

We innovate by using a disciplined process that investigates user needs and experiences. We combine that with our manufacturing and design expertise and examine material properties and capabilities. And, although our products are conceived by designers, they are shaped with input from professional chefs, cooking enthusiasts (like you!), and the international palates of our global Cuisipro team.

Design

Design is not just about how something looks, it's also about how it works. We think about practicality and style. We design all the subtleties and details with precision. We prototype, test and refine to bring the best ideas to life. We consider form, materials, maintenance, cleaning and how all these ideas come together to make something truly beautiful.

Silicone

We use silicone on our spatulas spoons and whisks. Silicone does not scratch and is pliable, strong, waterproof and heat resistant up to 500°F / 260°C. Unlike rubber and plastic silicone will not absorb water and food particles, so it is very easy to clean and does not harbor odors or germs. Silicone comes in a wide range of colors to match any kitchen. Dishwasher safe.

Stainless Steel

Stainless steel is rust- resistant, strong, durable, hygienic and resistant to high and low extremes of temperature. Our high quality medical grade of stainless is available in two finishes. Polished stainless steel is glossy, shiny, bright and easy to clean. Brushed stainless works best for frequently handled items as the matte finish cuts down on visible scratches and does not show finger prints. Dishwasher safe.

We design our products to look sleek, beautiful and sophisticated

We consider how a tool sits in your hand

We innovate to bring great new ideas to life

Graters and Blades

Because superior materials are integral to the functionality and durability of any tool, we have built partnerships with many of the world's top suppliers of finely engineered plastics and metals. Our designers consistently pioneer the use of materials for new applications and choose materials that make cooking and serving easier. Virtually all of our products are dishwasher safe.

Surface Glide Technology™ (SGT)

Exclusive to Cuisipro, this technology is based in the repeated grooved pattern that is spread evenly across the face of the grating surface. These grooves create 2 distinct advantages; the smooth surface reduces resistance, making grating effortless and elongates the length of each individual blade, providing a larger cutting surface and

therefore producing more gratings per stroke, and therefore a better yield. Combined, these features create the perfect balance between ease of grating and maximum efficiency for the ultimate grating experience that etched graters alone cannot compete with. No other grater on the market has this patented grooved grating surface.

Awards

For more than 20 years Cuisipro has been the proud recipient of numerous design awards – from the internationally prestigious Reddot Design Award to the International Housewares Design Awards and the DesignPlus Award. We have even been recognized for our excellence in packaging and branding.

Testing

We believe in our products. Combining high quality materials with functional design, we create durable and beautiful products. With high-quality workmanship and subjected to our rigorous testing standards, no product or detail is overlooked. We have confidence that you will love the results. That is why we stand behind our products with a 25-year warranty

Our 25-Year Warranty

To learn more about care and use of your Cuisipro tools, visit cuisipro.com. Cuisipro products deliver high value through a unique combination of outstanding quality at a fair price. We back up our products with an uncompromising 25-year warranty.

Dessert

Perhaps the only thing sweeter than the smell of fresh home baking is the beauty of the Cuisipro Baking Collection that makes every baking task a pleasure from start to finish. Like a treasured family recipe, passed down from generation to generation, every tool in our Baking Collection has been designed to perform to perfection for years to come.

A History of Cuisipro Firsts.

The first thing you notice when you pick up a Cuisipro tool is how good it feels, and how great it looks. Then you quickly discover how well it works. Cuisipro tools give you the freedom to cook and prepare food with confidence. The Cuisipro name has been built on an impressive list of “firsts” - new ideas, clever innovations and smart solutions - that have made us the favorite of international gourmet cooks.

1990

83 7450

Donvier Ice Cream Maker is the first that required no ice or electricity

2000

74 708705

Tongs – Our patented locking mechanism, push to lock, pull to open is a Cuisipro innovation

2000

74 695205

Silicone Whisks with patented silicone covered wires

2000

74 7143

The original (and much copied) Measuring Cups and Spoons – have an oval shape that allows access into smaller containers

2000

83 7426

Yogurt Cheese Maker with patented wave pattern strainer

2000

74 6588

Our Splatter Screen with patented feet to keep mess off the counter

2006

74 709805

The Snap Fit Cookie Cutters – nest and snap together

2006

74 7300

The 3-in-1 baster has a screw on bulb

2007

74 6780

The Roast and Serve – Roasting Rack with removable pin, is collapsible

2007

74 7318

Scoop and Stack Ice Cream cylinders have an entirely unique design

2011

74 6802

Surface Glide Technology™ – first and only grater with grooves

2011

83 7441

Snap Fit Pop Molds are first to snap together

2016

74 735505

Collapsible Yogurt Maker is the only collapsible yogurt maker

Cleaning

Cuisipro has always been there to help prepare food to perfection, and we're also part of kitchen organization and cleanup. And with our line of elegant and ergonomic cleaning tools, there are more options for the home cooking enthusiast.

- Foam Pump
- Magnetic Spot Scrubber

065506322056
CASE PACK - 6

Clean hard to reach areas with the Magnetic Spot Scrubber. The soft rubber scrubber won't scratch glass. To use, drop the magnetic scrubber into container filled with soapy water. Use the handle to attract the scrubber. Scrubber will follow the handle as you move along the container.

Tools for Sales

The versatile and modular Cuisipro fixture program is a completely adaptable system that looks great in any retail setting. A convenient selection of point-of-sale material and shelf-ready display units are available for many products.

For full details speak to your sales representative.

- Fixture Signage & Merchandising Solutions

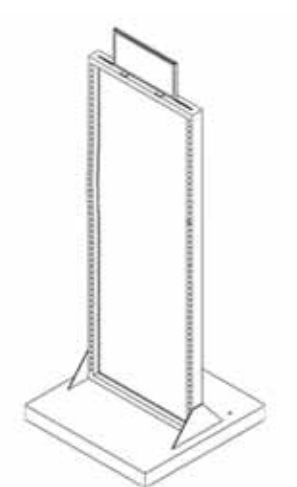

Floor Fixture

*Modular &
Adaptable*

*Impressive
display in high
traffic areas*

Tools for Sales

Floor Fixture Kit

Unit includes: base, 2 plugs, 4 casters, structural frame, back wall, header frame (requires 2 header graphic panels) and hardware.

74 1191

24" x 64" / 61 x 163 cm

00065506011912

Wall Fixture Base Kit

Create a full ½ meter wall panel. Unit includes: 2 sets of upper and lower standards, 3 connecting rods, 2 levelers, 2 lower back walls, 1 top back wall and hardware package.

74 1192

24³/₈" x 96" / 57 x 250 cm

00065506011929

Wall Fixture Extension Kit

Extension kit is added to a single fixture base kit to extend the number of wall panels.

Unit includes: 1 set of upper and lower standards, 3 connecting rods, 1 leveler, 2 lower back walls, 1 top back wall and hardware package.

74 1193

24³/₈" x 96" / 57 x 250 cm

00065506011936

Store Fixtures

Wall Header Frame

For Wall Fixture unit only. Header frame included with Floor Fixture 74 1191.

74 1183

19³/₄" / 0.5 m

00065506011837

Hook

74 1180

8" / 20 cm

00065506011806

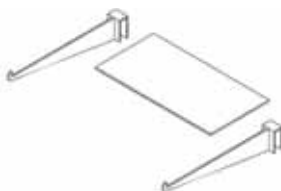

Crossbar

74 1181

19³/₄" / 0.5 m

00065506011813

Shelf Kit

Includes 2 shelf arms, 4 rubber spacers and a shelf.

74 1182

19³/₄" / 0.5 m

00065506011820

Food. Family. Friends.

We believe that the table where you eat is also the table where you talk. Meal times – when we're eating, sharing, relaxing – bring us all together in a meaningful way. They connect us. Whether at a big family holiday gathering, an informal time with the neighbors or an evening catch-up about school with the kids, we hope Cuisipro can be part of preparing and serving at your kitchen counter, picnic lunch or dining room table. Food, family and friends – that's what it's all about.

At Cuisipro we believe in the joy and pleasure that great food – and its preparation and serving – can bring. We want to connect people around cooking, sharing and entertaining. Our mission is to create distinctive products that help our customers do just that. Because for us, it's all about food, family and friends.

Keep watching as we evolve to make even better products for you!
