

DHM 100 DEHUMIDIFIER

DESCRIPTION:

The Pursonic DHM 100 provides dampness protection that is ideal for small spaces such as:

- **Small closets:** Prevents damage to fabrics and musty odors caused by excess moisture.
- **Plastic Storage Containers:** Absorbs musty odors, and prevents damage caused by excess moisture on stored seasonal clothing.
- **Cabinets:** Protects stored food from damage caused by excess moisture.
- **Under sinks:** Keep the under sink area dry and mold free.
- **Safes:** Protect your valuable pictures and important documents from damage caused by excess moisture.

This eco-friendly dehumidifier silently and reliably protects clothes and valuables from mold, mildew, and moisture. The unit has Indicators to show the moisture absorption; Blue Indicator to signify it is free from moisture, Pink Indicator to signify full of moisture. When the Indicator turns Pink, plug it back into the power outlet to recharge the unit. Special features of the DHM 100 includes: the unit works in areas up to 333 cubic feet. Requires no batteries or cords for use, 100% renewable, works up to ten years, reliable, compact, silent, spill and mess free, non-toxic, child and pet safe! The unit measures 6 1/4" L, 1 1/4" W, 4 3/4" H.

- **Bathrooms/Laundry Rooms:** DHM 100 absorbs excess moisture from vapor related activities, and helps dry fabrics faster.
- **Bedrooms:** While absorbing excess moisture you are also reducing dust activity, and consequently the risk of allergies.
- **Basements:** Protects stored clothing and tools from damage caused by excess moisture.
- **Offices/Supply Closets:** Protects electronic equipment, supplies and paper from damage caused by excess moisture.
- **Gym Lockers:** Absorbs odors and dries wet gym clothes faster.
- **Musical Instruments:** Prevents damage caused by excess moisture.
- **Gun Safes:** Prevents rust to guns and expensive ammunition and other damage caused by excess moisture.
- **Safety Deposit Boxes:** Protects your valuables and documents from damage caused by excess moisture
