

Love lasts forever
and so does our serveware

WILTON ARMETALE

a creative way to cook & serve every day™

Add our serveware to your Bridal Gift List

Beyond the china, flatware and crystal selections you make, it is the serveware you choose to complement your table setting that will most influence your style of entertaining. Whether you're having dinner for two or hosting family and friends, the right serveware allows you to serve your guests with beauty and ease. And nothing could be more expressive or versatile than pieces from the distinctive collections of Wilton Armetale. As substantial as they are beautiful, we've worked hard to develop a vast array of products that reflect the way you live. From formal to casual, stylish to rustic, each piece we craft is designed with today's bride in mind. People like to give Armetale products for the same reason you'll love receiving them: they are unmistakably designed and crafted to capture the spirit of your life.

Enjoy the Versatility

Armetale products **will not break, chip or crack** - timeless heirlooms that should never be retired in a cabinet behind glass. **Use them every day.** Armetale metal doesn't require the delicate care and handling that silver and china need. And Armetale metal **will not rust** or tarnish.

Enjoy It Hot

Able to withstand temperatures up to 1000°F, Wilton Armetale® Serveware is ideal for your cooking needs.

- Perfect for oven, stove or grill
- Food stays hot longer
- Makes entertaining easy
- Clean up is a snap

Enjoy It Cold

Wilton Armetale Serveware is equally at home with your cold foods and beverages.

- Chill and serve - cold foods stay cold
- Entertaining indoors or out
- For drinks, dips and salads
- As always, **easy clean-up too**

Armetale metal has been independently tested and approved for the **safe cooking and serving of food.** So you can use the **same Armetale® piece to prepare, cook and present** your delectable creations. That means less energy and time spent cleaning up and **more time enjoying your guests.**

Wilton Armetale Products

Gourmet™ Grillware

Are you or your groom serious about grilling? We

make durable grill to table products for everyday

grilling. Perfect for those "slip-through-the-grates" foods our grillware is created for outdoor entertaining and it's Guaranteed for life!

*C*hoose a style that's right for you.

Designers from all over the world have carried on a 50 year tradition of fashion forward applications based on natural shapes, architecture and exotic cultures to produce a product line that offers many designs and styles. Our four stunning design groups, Artistic, Grand, Natural and Classic, make it easy for you to find the perfect serveware and decorative accessories. You don't have to limit yourself to one pattern; you can easily mix and match heirloom quality Armetale pieces to best express your style and creativity.

Flutes & Pearls™ From our Grand Design collection, Flutes & Pearls is a reproduction and adaptation of an 1821 candlestick design. Slightly more formal than many of the other patterns by Wilton Armetale, the classically sculpted effect of this very popular Bridal Registry design is adaptable to accessorize a wide variety of Classical home decorations and dinnerware patterns. Its refined Classical elegance is unparalleled in today's casual environment.
