BackCushion

Designed by an Orthopedic Surgeon

Orthopedic Lumbar Support

BackCushion offers the latest technology in orthopedic lumbar support and seating comfort. Made with sculpted high-grade foam to create its ergonomic shape, the BackCushion hugs your back, improving posture and reducing stress on the lower back.

Use BackCushion for improving the ergonomic comfort of your chair in the office and at home. It has also been universally designed to fit almost any seat in a car to provide comfort and pain relief wherever you are.

Ideal to use for:

Back pain
Seating in home, office or car

Key benefits:

Unique ergoPressure™ technology for pressure point massage

Ergonomic shape reduces lower back stress

Magnet therapy enhances pressure point massage

Item number:

A30122
