# Clear2O<sup>®</sup> Water Filtration Pitcher

Fresh, clean water in seconds!

The **Clear2O<sup>®</sup>** pitcher filter fills faster than many of the pitchers in the market. It directly fills from your tap, using the force of the water flow to fill faster than filters that just have the water drip through the filter. Our solid carbon block filter removes more contaminants than other filters that have carbon granules.

## PRODUCT BENEFITS

- Tested to reduce up to 53 contaminants, its solid block carbon filter cleans 50 gallons (that's 88+ refills!). Works with most standard faucets.
- Adapter installation is required for the water pressure from your faucet to deliver superior filtration.
- Holds 1.75 liters of water (9 8-oz. glasses).
- Filling's a breeze with the quick-connect hose and its convenient storage compartment.
- Take the guessing out of filter changes with the TrueLife Filter Indicator.
- Includes one filter so you can start enjoying clean, clear water right away.

(4 Pack)

GRF201

# Clear2O® Gravity™ Replacement Water Filter

- Pleated Filter design to maximize holding power of filter
- Advanced Cat-Ion Filter Technology for improved filtration
- Higher flow rate means quicker filling
- Longer filter life [60 gallons]
- Filters and reduces Chlorine and odors

# Clear2O® Mineral Rich Alkaline Replacement 5 STAGE FILTER

## PRODUCT BENEFITS

### Micro Screen Mesh Filter

Removes particulates and other contaminants.

### Granular Activated Coconut Carbon

Granular Activated Coconut Carbon charcoal filters are effective in chlorine reduction and taste & odor improvement. This carbon layer is also effective for the reduction of herbicides, pesticides, pharmaceuticals, industrial chemicals, trihalomethanes (THM's), heavy metals, organic chemicals, and particulates.

### Tourmaline Mineral Layer

This stage reduces heavy metals including lead, nickel, cadmium, and mercury, through an ion exchange process.

### pH Enhancing Minerals

Highly porous mineral stones infuse ionized minerals into the water that aid in oxygenation and alkalinity. The mineral ions are encased in diatomaceous earth and add calcium, magnesium, and other trace minerals to fortify the water and increase the pH.

### Non-Woven Membrane Filter Media

A final barrier to contaminants and particulates to insure fresh, great-tasting water.

CAF301

- Filters 80 gallons (300 L) of energizing clean water. Adds calcium, magnesium and other beneficial minerals.

- Easy to Install

## Clear2O® Water Filter 1-Pack

This easy-to-install replacement filter for the CLEAR<sub>2</sub>O® Water Filtration Pitcher cleans 50 gallons and is tested to reduce up to 53 contaminants, including:

- Cysts (cryptosporidium & giardia)
- Lead
- Asbestos
- Mercury

## Clear2O® Water Filter 3-pack

### Money-saving 3-pack!

This easy-to-install replacement filter for the CLEAR<sub>2</sub>O™ Water Filtration Pitcher cleans 50 gallons and is tested to reduce up to 53 contaminants, including:

- Cysts (cryptosporidium & giardia)
- Lead
- Asbestos
- Mercury
