Entenmann's Bakeware

In 2011 Euro-Ware entered into a licensing agreement with Entenmann's Inc. one of the nation's oldest baking companies, to manufacture, distribute and market a new line of bakeware products bearing the Entenmann's brand name.

New York based Entenmann's has been baking cakes, pies, cookies, danishes, donuts and other confections since it was founded as a family bakery in 1898. It is currently owned by Bimbo Bakeries USA, which today is a leading baker in the continental U.S.

For over a century, Entenmann's has been the market leader and innovator in delivering quality, fresh sweet baked goods daily to millions of consumers nationwide. Euro-Ware is looking forward to carrying on the Entenmann's reputation by bringing "home" baked freshness into kitchens across the country.

Our bakeware line consists of:

- Entenmann's Classic: Focuses on traditional baking pans and trays including loaf, cake and brownie pans, cookie sheets, baking trays and muffin pans.
- Entenmann's Ultimate: Focuses on a heavier weight bakeware with silicone handles.
- Entenmann's Mini's: Focuses on a kid friendly small portioned baking sets and pans.
- On the Go: A collection of baking trays with carriers.
