

CR400R

RECHARGEABLE CALLUS REMOVER

DESCRIPTION :

Pedicure in the palm of your hand

- **The innovative device takes the chore out of the smoothing skin on the feet.**
- **Gently and effectively buffs away toughened areas, dry and callus skin in seconds.**
- **Safer and more effective than scrapers, which use blades to cut the skin.**
- **Easy and comfortable to use, unlike pumice stones that require constant rubbing.**
- **Rechargeable**
Power: 3W
