Swiss Diamond®

***Life is complicated.
Selecting cookware shouldn't be.***

-  Swiss Diamond Premium Clad is designed for use on all cooktops – a good investment for wherever life happens to take you.
-  The unique, bonded 5 layer construction provides efficient, even heat distribution with no hot spots for consistent results every time.
-  Saucepans and casseroles feature capacity markings inside to make adding ingredients easier. You can skip the measuring cup if you want, one less thing to wash.
-  Cast stainless steel handles are ergonomically designed to feel good in your hand. Welded handles won't loosen up over time and you won't have to scrub around rivets to remove cooked on food.
-  Swiss Diamond can multitask from cooktop to oven any time you want. Premium Clad is oven safe up to 500°F (260°C).
-  See through lids are made of heat-tempered, oven safe glass. Take a peek whenever. Cast stainless steel knobs feature a steam release vent. Lids won't bounce and rattle during cooking.
-  Cook until your heart is content and look good doing it. Premium Clad features a beautiful satin exterior finish from top to bottom.
-  Dishwasher safe for your convenience, however, handwashing is recommended.
-  Limited Lifetime Warranty
