# New from Metropolitan...The Professionals.

Classic Retro design. Stainless Steel/Chrome construction.  
Commercial quality. Industrial power. Quadruple HEPA filtration system.

MODEL ADM 4PNHSF

Turbo head brush (opt.) For upholstery, stairs, car interiors.

**Model ADM 4PNHSF Includes:** 7-ft power conductive flexible hose, 4 chrome/steel extension wands (2 with locks), heavy-duty electric power nozzle, floor/wall brush, dust brush, crevice tool, fabric tool, three disposable bags and two charcoal foam filters.

## METROPOLITAN FULL-SIZE CANISTER VACUUM

**Top-of-the-line total performance cleaning system for the home.**

**4.0 Peak HP and quadruple HEPA filtration system provide industrial cleaning power reducing cleaning time.**

The new Metropolitan full-size canister vac offers professional cleaning results without hiring a professional. A powerful 4.0 Peak HP, twin fan motor, designed for super suction, saves time and provides more power than vacuums selling at twice the price. An electric motor-driven power nozzle gets out hidden dirt and grit while a quadruple HEPA filtration system traps 99.97% of all airborne allergens, dust and animal dander for cleaner, germ-free air.

**Features:** Durable Stainless Steel/Chrome power canister, 4.0 Peak HP Twin Fan motor, quadruple HEPA filtration, convenient cord storage halo, 4 wheels for ease and stability, 13 AMPS, 95" water lift suction power, 130CFM, 1560 watts.

**MODEL ADM-4SF (Not shown) Ideal for area rugs and bare floors.**

Same as the above, without the electric powerhead. Includes: 7-ft flexible hose, two 20" Chrome/Steel extension wands, euro-style combo floor/rug tool, crevice tool, fabric tool, dust brush, three disposable bags, two charcoal foam filters. 11.25 amps, 1350 watts.

## METROPOLITAN COMPACT CANISTER VACUUM

**Portability and industrial power with 4.0 Peak HP and quadruple HEPA filtration system.**

Tackle tough jobs like a professional with this sleek Retro Stainless Steel/Chrome heavy-duty cleaning system that weighs a surprising 9 pounds. It's light enough to be carried over the shoulder, or it can be rolled along on its smooth gliding wheels and swivel casters. It provides the superior suction of a larger, more expensive vac. A swivel, euro-style, combo carpet/floor/wall tool makes it s easy to get into corners and under furniture. Powerizer™ Air Maximizer sweeps leaves, walkways, even garages, inflates inflatables, too. A space-saver, it stores horizontally or vertically.

**Features:** Durable Stainless Steel/Chrome compact canister, 4.0 Peak HP Twin Fan motor, quadruple HEPA filtration, 11.25 AMPS, 1350 watts, 95" water lift suction power, 130CFM.

**MODEL OV-4PNHSF (Not shown) 2-speed 4.0 Peak Horsepower motor in a lightweight compact canister vacuum with an electric power nozzle assembly.** Includes: 7-ft power conductive flexible hose, two locking 20" extension wands, fabric tool, crevice tool, dust brush, inflator adapter, Powerizer™ Air Maximizer, 3 disposable bags, shoulder strap, 13 AMPS and 1560 watts.

MODEL OV-4BCSF

**MODEL OV-4BCSF Includes:** 6.5-ft flexible hose, two 20" extension wands, euro-style combo carpet/floor/wall tool, fabric tool, crevice tool, dust brush, inflator adapter, Powerizer™ Air Maximizer, shoulder strap.

**The Professionals with HEPA filter provide four stages of filtration for a dust/allergen free environment.**

1. A disposable paper bag
2. Cloth filter bag
3. Charcoal Foam filter
4. HEPA certified long life filter
