

Espresso Steam Press

The Espresso Steam Press is the perfect choice for a quick and easy to use alternative to conventional ironing. The Espresso Steam Press has a vast pressing area that will quickly eliminate wrinkles and put a crease into the toughest fabrics.

Espresso provides professional wrinkle free pressing without the cost and the hassle of going to the dry cleaners. The Espresso Steam Press has a large 22"x 9" pressing surface that will cut down on your ironing time and effort. The pressing surface is 5 times the size of a traditional iron and reduces pressing time by 50%. The steam press is easy to use just pull the handle down for about 1 second, press the button for a burst of steam, then raise the handle up and your items will be perfectly pressed. No more need for an iron and ironing board.

Features

- Manual temperature selection control to suit all fabrics
- Safe for a number of fabrics including nylon, silk, rayon, wool, cotton, and linen
- Non-stick and anti-shine coating on pressing surface
- Burst of steam feature helps remove stubborn wrinkles
- Auto shut-off safety feature operates when opened or closed
- Lock feature for pick up and convenient storage

Accessory Kit includes: spray bottle, pressing cushion, and water fill cup.
