

A bright idea in organization!

Chic and compact light bulb storage keeps the bulbs you need handy and organized.

The bulbNEST® makes changing a light bulb as easy as it's supposed to be!

Gone are all the little aggravations that make replacing light bulbs a chore. Its patent-pending design 'nests' each bulb securely, while the bright yellow lid and holes on the side make it easy to spot and grab from cluttered closets and high shelves.

- Holds the most common bulbs
- Bright yellow lid is easy to spot
- Bulbs 'nest' securely in individual slots
- Sturdy construction
- Fits most household shelves
- Dimensions – 10.25" x 8.75" x 5.5"

The bulbNEST is a perfect gift for a new homeowner and sure to be a hit with anyone who wants to get organized!

Minimum order is only 12 units!

The SFI Certified Sourcing label means that fiber in the product comes from a company that is certified to the SFI 2015-2019 Fiber Sourcing Standard, or comes from recycled content, or from a certified forest. All fiber must be from non-controversial sources. For each single tree removed, several saplings are planted.
