# GRIPmitt™

get a grip on cooking™

GRIPmitt™ by WOW GEAR® is **the only cooking mitt you will ever need in the kitchen and at the grill station.** This innovative and versatile mitt provides for dexterous, safe and easy handling of hot, cold and raw foods; hot pots and pans while prepping, cooking, grilling, carving and slicing.

Hygenically slice breads without using a hand towel and prepare raw meats, poultry and vegetables without bare hands. Slice cooked meats and carve cooked poultry without burning your hands or using a carving fork. It's **designed to work naturally in your hands while improving your cooking skills and cooking hygiene.**

GRIPmitt™ is made of 100% heat and cold resistant Silicone that is dishwasher safe, and it eliminates the need to use cloth hand towels & kitchen mitts that retain dirt and bacteria. **Get a grip on cooking** and keep your kitchen orderly and clean.
