

# Al Dente

The singing floating pasta timer.

# Al Dente

## Perfect pasta made easy.

Al Dente looks like a Mafioso, but all he wants to do is to help.

Originally he came from Italy and brought cultural goods along. Once the pasta is al dente, he will sing Italian themed tunes. The pasta timer will be plunged into the water together with the real pasta.

He works on an electronic pasta-cooking-program which will play four songs – each tune being godfathers for different styles of pasta.
