Brabantia introduces the 8 Gallon Touch Trash Can New in 14 colors

Touching news: Interior design brand Brabantia improved the design of its Touch Trash Can 8 Gallon. This much-loved trash can has an enhanced lid and is available in one-tone colors to make it even more lovable.

Design touch-up

The (newly designed) lid opens at the lightest touch, quietly and smoothly. It really is easy – to open, change the trash bags, and clean... Of course matching PerfectFit bags are available - there's even a free sample pack inside your new trash can! - and you'll get a 10 year guarantee.

"Consumer panels grade the Touch Trash Can New 8.5,

which is even better than the earlier trash can. And 96% thinks the new lid is a real improvement. A great start!" - Robert Engels, Category Manager Waste Management

Double rainbow

The right trash can should have the right color too. That is why the Touch Trash Can New is available in a rainbow of colors. From trendy to timeless, from the happiest Daisy Yellow, stylish Passion Red and Clay Pink, to elegant Matt Black and White.
