

ABOUT US

Our Story

Americo Home is a division of Americo Mfg. Co., a family-owned business in located Cartersville, GA, a suburb of Atlanta. We have been a leading manufacturer of commercial and promotional floor mats for over 35 years.

The division started as a grassroots initiative within our company's promo division to expand our already successful products into the Gift and Retail Industry for the home. We gathered a team of proven leaders from various departments and collectively built Americo Home out of passion and determination.

What emerged is a company proud to offer visually stunning decorative indoor and outdoor floor mats without sacrificing quality or function. All proudly made right here in the USA.
