Practical for home

65431 Table Stand

For use when preparing a recipe or when working at the desk - the Tablet Holder serves as a perfect tool. **DISCO** uses a discreet design feature of brushed stainless steel, rubber and plastic. An additional feature: the rubberized coating on the top insures tablets are securely held in place.

Attractive for the bathroom

So that the towels can dry perfectly without wall heating, blomus provides the towel ladder **MENOTO** the right choice. In matt stainless steel, the ladder is simple and elegant – without taking up much space in the room.
