

Insect control for sensitive areas

Flour & Pantry Moth Traps

Sticky Trap Insect Control

Flour & Pantry moths are attracted to dry foodstuffs and birdseed. The lure attracts male moths, trapping them on the sticky pad. Capturing adult male moths prevents them from mating and multiplying.

- Effective against Indian meal moths, Mediterranean flour moths, Almond moths and Raisin moths
- Pesticide free
- Lasts up to 3 months
- Pheromone lures attract male moths
- 2 pre-assembled traps & lures included
