## COOKWARE AND SMALL ELECTRICS 2021 CATALOG VOL. 1

"Best Multi-Cooker of 2021" by:

Recognized by:

"Best Buy" Pressure Cooker by:

When time isn't on your side, Zavor is.

Zavor is the inspired creation of the minds behind the former top pressure cooker brand in the country. After gaining 25 years of experience in the industry, the Zavor team was ready to set out on their own and is proud to bring you a curated culinary creation for the contemporary home cook.

We at Zavor have curated a culinary collection focusing on easy-to-use tools that bring users closer to that healthier lifestyle we all want to achieve. Our unique products offer a simple and healthy approach to cooking that allows users to create a delicious array of meals that are sure to bring family and friends together. From the novice home cook to the expert chef, all walks of life will benefit from Zavor's versatile collection of trustworthy kitchen tools.

Our Cookware

**PRESSURE COOKERS** - Zavor pressure cookers have been hailed as some of the best in the market. They are energy efficient and cook food up to 3x faster than traditional cooking methods. With updated safety systems that maintain pressure levels and self-locking lids, the fear of pressure cooking is a thing of the past with Zavor.

**CAST ALUMINUM COOKWARE** - Zavor's first cookware collection consists of beautiful, black cast aluminum pieces that add a touch of elegance to any kitchen. Consisting of open stock pieces as well as three sets, the Zavor cookware offering will meet all cooking needs.

Our Electrics

**ELECTRIC PRESSURE COOKERS** - Electric pressure cookers offer the same energy efficiency as their stovetop counterparts. Cooking food up to 3x faster than traditional cooking methods with less user involvement or room for error, and electric pressure cooker is the perfect introductory unit for first timers.

**ELECTRIC MULTI-COOKERS** - Zavor's multi-cookers have been consistently recognized as the best in the category for years. Their performance is unsurpassed and they offer more features and functions than any other brand.

**INDUCTION COOKTOPS** - Using 90% of energy produced, induction cooktops help reduce cooking time by up to 50% when compared to gas or electric stoves. The stay-cool surface is easy to clean and no flames or gas emissions make induction cooking extremely safe.

**AIR FRYERS** - Keeping in line with a healthy lifestyle, Zavor's air fryers are available as a stand-alone unit or an air fryer lid that can be used with existing Zavor cookers. The Crunch air fryer provides all the convenience of a basket style air fryer with additional functions for dehydrating and a rotisserie. All Zavor air fryers come complete with all the accessories needed to create healthy alternatives to fried foods.

**IMMERSION CIRCULATORS** - Expanding on the different cooking methods offered, Zavor has introduced sous vide immersion circulators to their ever-growing electrics line-up. Known as low temperature long time cooking, sous vide ensures perfectly done food with absolutely no risk of overcooking.

Our Accessories

**HOME CANNING KIT** - The perfect accessory for home canning enthusiasts, this kit provides users with all the tools they need to preserve foods in either a water bath or pressure canner. It is compatible with all Zavor stovetop pressure cookers and all components are BPA free.

**COOKBOOKS** - Zavor's product offering wouldn't be complete without recipes. The first Zavor branded cookbook, developed with Laura Pazzaglia of hipcooking.com, offers users recipes for both stovetop and electric pressure cookers, with a bonus chapter of slow cooking recipes for multi-cooker users. Zavor's Air Fryer Cookbook is the perfect companion to the Crunch Air Fryer Oven. It features over 70 easy and delicious recipes for a lighter take on your favorite fried foods.

**COOKING POTS** - For all Zavor electric pressure cookers and multi-cookers, the removable cooking pots are a great accessory that users can never have too many of. Available in stainless steel or ceramic coated for all size options.

**SILICONE ACCESSORIES** - Four new silicone accessories available in a variety of set options provides unsurpassed versatility for almost all Zavor cookers. They are dishwasher safe and made of high-quality silicone to ensure longevity and ease of use.

**SILICONE GASKETS** - The most crucial accessory to any pressure cooker, Zavor silicone gaskets for stovetop and electric pressure cookers are what allow users to safely and successfully pressure cook all their favorite foods.
